Some democratic papers are denouncing Judge H. K. Hanna because of his political beliefs. The office of Circuit Judge should and always has been free from politics. Judge Hanna has served three terms as district attorney and is now closing his 18th year as Circuit Judge. He has the honor of being one of the 18 Oregon Judges having the fewest number of cases appealed to the Supreme Court and the fewest reversed by that body. Politically Judge Hanna was a democrat until his party was Bryanized, when he left it and voted for McKinley in 1896, and has voted the Republican ticket since, though at the election six years ago he ran independently and was elected, the republicans making no nomination against him. His reputation as a judge being perfect The Republicans placed him upon the ticket this spring without a dissenting vote.

It certainly is gratifying to the editor of the Silver Lake Oregonian to imagine how he cut the pride of the editor of the Examiner last week by calling him a "mugwump," and it is certainly gratifying to us to be so associated with such men as Horace Greeley and Theodore Roosevelt, who were both "mugwumps." We admit of having made one mistake, and that is to have ever paid any attention to the Silver Lake paper which is in the class that never expect more than to merely be noticed.

THIRD AND LAST CALL.

The time for election is near and if every voter has not made up his mind who he will vote for, it is time he was pulling his thoughts together. Look over the county ticket and you will find there the names of men to fill our county offices placed there by the Republicans, who are eminently qualified for the positions. The name of E. E. Rinehart for sheriff has been before the voters and the gentleman himself has tried to meet every voter in the county and give him an opportunity to judge as to his qualifications. There has been enough truthfully said of Mr. Rinehart and now all that can be said more, is that no republican can for just cause vote against him. It is almost certain that he will receive a large majority.

Now voters, go down the Republican county ticket, you know the men and if you know them to be men of high standing and men whose moral and intellectual standing in the county entitles them to your support, vote for them. If they were not quite such men as Lake county could justly feel proud of, The Examiner would not hesitate for one moment to repudiate them. It has been our policy through this campaign to speak plainly and openly without fear or stint as to the merits of office seekers. There is no strings on The Examiner and what we have said is from a general knowledge of the men we have before us. It is our honest belief that the men the republicans have selected for our different county officers are, all of them, duly credited with merit and honor and should receive the support of the party. It is conceded by many democrats that the county will elect a straight county ticket. Every republican is proud of their candidate for clerk. Mr. Jaquish will win easy if the best Republicans in the county have any influence.

Charles Umbach for Assessor is so well known in the County as to scarcely need any Enconium at our hands. He is pre-eminently qualified for the position, as his unrivaled knowledge of the lands in the county enables him to form a clear judgment of their value. His practical business capacity will also place a proper valuation on the personal property to be assessed, and by these means a reduction of the annual tax rate be made possible. A vote for Charles Umbach means money in your pocket.

Our legislative ticket is sure to win. The only fight put up in Crook county against the republican legislative ticket was for Joint Senator, and that on the alleged ground that John A. Laycock was in favor of cutting Crook county in two. Now, Mr. Laycock has openly stated that he stands for nothing of the sort, so now there is nothing to prevent him winning in a walk. Dr. Steiner will receive nearly every vote in Lake county, and it is conceded that his majority in the other counties will be unprecedented. John S. Shook of Klamath county will also sweep his home county, both republicans and democrats voting for him. Mr. Shook will get a big majority in this county.

Judges Benson and Hanna have no reason to feel the least bit uneasy and we presume they do not.

It is believed that Joe Moore, democratic nominee for district attorney will be elected by a big majority.

In voting on the local option and direct primary laws the ballots say vote for yes or no. The local option law is numbered 390 for yes and 391 for no. Mark a X between the number and the word that represents your vote. The direct primary law is numbered 392 for yes and 393 for no. Mark a X between the number and the word yes.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
