W. Y. Miller came down from Paisley Tuesday night, having been called here by the death of his grandmother.

"Uncle" Jim Foster came down from his Summer Lake ranch Tuesday after his son Andrew, who has been at D. C. Schmuck's for several days.

Bert Harber will leave this week for Madeline, where he goes to bring F. M. Miller's family from the railroad. Mrs. Miller and children spent the winter in Berkeley.

Bert and Joe Reed were up from Pine Creek Tuesday. Bert says rain would help crops down the valley, though they are not suffering for want of moisture, as there is plenty of water for irrigation on most ranches.

Mrs. Geo. Conn of Paisley has received a deed to her desert land claim, on which she made final proof some months ago. This proves that the reclamation of desert land in Lake county can be satisfactorily accomplished.

Andrew Foster, son of Mr. and Mrs. Jim Foster of Summer Lake, who has resided in St. Louis several years, is here on a visit with his parents. Mr. Foster has many friends in Lake county who will be glad to see him.

The Seventh Annual Session of the American Mining Congress will convene in Portland on August 22, this year, and hold six days session. There will be various questions acted upon of vital importance to the people of the state in general.

It would be well for voters to cut the sample ballot out of this issue and study it carefully, so when they go into the booth to vote, they will experience no difficulty in marking their ballot. The ballot tells you what to do at the top.

The people of Paisley clubbed together yesterday and put six men to work on a temporary bridge across the Chewaucan. It will be ready by tonight to cross loaded teams. If the county will not bear the expense they will stand it themselves.—Post.

The Alturas Base Ball Nine went down to Canby last Sunday to cross bats with the Canby team, this being the first of five practice games which has been scheduled to come off between those clubs. The score stood 12 to 31 in favor of Alturas.—New Era.

Chief Forester Pinchot has recommended two more forest reserves in Eastern Oregon: The Blue Mountain reserve embodies about 3,000,000 acres, and the Maury Mountain reserve in the center of Crook county about 60,000 acres. The president is not expected to order final action on these for some weeks yet.

Owing to the busy time several stockmen and farmers did not get to register. All that is necessary for them to vote next Monday is for six freeholders to certify that they are qualified electors. Every voter should avail himself of the opportunity to have a say in who is to conduct our offices the next two years.

The editor of the Republican (or whoever writes the editorials of that sheet) complains in his last issue that the editor of the Lakeview Examiner is a "mugwump." Perhaps the Republican is not aware of the fact that it is an honor to be a "mugwump" under certain circumstances, and that there is no greater "mugwump" extant than President Roosevelt. Roosevelt refused time and again to support corrupt republicans regularly nominated by the republican party in the state of New York. So, you see, Mr. Editor, the editor of the Examiner is not in bad company.—Klamath Falls Express.

Vote for two Circuit Judges—H. L. Benson and H. K. Hanna.

Vote for the primary law if you want to see clean politics in the future.

Vote for two for Joint Representatives for this district.—R. E. Lee Steiner and John S. Shook.

Monday was decoration day and a large crowd gathered at the cemetery loaded down with wreaths and flowers of all descriptions. The few old soldiers marched to the cemetery bearing the flag under which they fought 40 years ago. Appropriate exercises were conducted by Rev. Stark.

That the plans of the Columbia Southern extension are delayed is apparent, and the reasons are only guessed at, but it is the belief of railroad men that Harriman contemplates taking up the Corvallis & Eastern project, which has laid low for some months. If the latter project is resumed it is thought that the road will run through the center of Crook county east and west.

Died—in Lakeview, Ore., May 31, 1904, Mrs. Sarah Miller, aged 87 years. Mrs. Miller was born in Kentucky, she has resided at Paisley for a number of years. She was a devout christian, having served God for 72 years. She had but one near relative in Lake county, a grandson, W. Y. Miller. The remains were interred in the L. O. O. F. cemetery yesterday at 11 o'clock.

An effort is being made to organize a lodge of Eagles in Lakeview. Louie Brautlacht and Manley Whorton are progressing nicely with the list for charter members. The Lodge is said to be one of the best organizations in existence. Lakeview is a great lodge town, and no doubt the boys will soon have enough charter members to start a new lodge here. The order is called the Fraternal Order of Eagles. Fifty charter members are required to organize a new lodge.

Chamberlain's Stomach and Liver Tablets Better than a Doctor's Prescription.

Mrs. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets have done him more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine.
