The Louis Quinze hat promises to be one of the leading styles in millinery for the fall. A number of smart women are already wearing it. The model illustrated is of white chip straw with white enamel buckle and three white

strich tips. Black velvet ribbon, so much used in millinery at present, forms a wide, tight band around the crown and completes the simple trimming. Gray plumes may be substituted for the white upon straw of this kind and color.—Philadelphia North American.

**Worst of All Experiences.**

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newsum, Deatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, stomach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by Lee Beall, Druggist.

**The Full Measure of Success.**  
"Was your auto race successful?" "Successful? I should say it was! There were two chauffeurs killed, an innocent bystander sent to the hospital, and one auto climbed a steep wall and flung itself down a steep cliff, and another auto threw off its chauffeur and is now careering wildly across the country and terrorizing the community, and Hoskin's new touring car crossed the Veraine ravine at a single bound and then jumped on the roof of a gamekeeper's cottage, and—well, it certainly was the most spirited and thoroughly enjoyable run we have ever had."—Cleveland Plain Dealer.

**Got Good Results Anyway.**  
"What a magnificent physique!" exclaimed his friends. "Why, a year ago you were sickly and pale and your muscles flabby."  
"Yes," said the suburbanite, "but I moved out to Lonelyville."  
"What! Has it such a climate? Wonderful!"  
"No," said the honest suburbanite, "Running for my train did it all!"—San Francisco Bulletin.

**Ungrateful Girl.**  
"Miss Peckis," began Mr. Klose, "If you marry me you can be assured that—"  
"I'm sorry, Mr. Klose," the girl interrupted hastily, "but it is impossible. I can never marry you."  
"What? Well, if that ain't ingratitude. Didn't I bring you a box of candy last week?"—Philadelphia Press.

**Pride.**  
"Whar is you goin' wif dat fishin pole?"  
"I's gwine fishin'."  
"What you gwine fishin' foh?"  
"You doesn' speck me to sit down an loaf all day whal all dese gossip people kin see me an' not look like I was doin' sumfin', does yer?"—Washington Star.

**GIRLHOOD WOMANHOOD MOTHERHOOD**

The first lesson that the young girl has of womanhood is usually a painful one. She learns to know what headache means, and backache, and sometimes is sadly borne down by this new experience of life. All the pain and misery which young girls commonly experience at such a time may, in almost every instance, be entirely prevented or cured by the use of Doctor Pierce's Favorite Prescription. It establishes regularity. It tones up the general health, and cures headache, backache, nervousness and other consequences of womanly weakness or disease.

The anxious mother of the family often carries the whole burden of responsibility so far as the home medication of common ailments of the girls or boys are concerned. The cost of the doctor's visit is very often much too great. At such times the mother is invited to write to Dr. R. V. Pierce, of Buffalo, N. Y., for medical advice, which is given free. Correspondence is held strictly confidential.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States for any case of Leucorrhoea, Female Weakness, Proflapsus, or Falling of Womb, which they cannot cure. All the World's Dispensary Medical Association, Proprietors, of Buffalo, N. Y., ask is a fair and reasonable trial of their means of cure.

"Your wonderful medicine," "Favorite Prescription," writes Mrs. Minta Wright, of Edwards, Ind. "Last winter I was unable to do my work, was to be confined in February, and a lady in Illinois wrote and told me about your medicine. I used three bottles of 'Favorite Prescription,' and will say I had the easiest and quickest confinement I ever had. Had three children before, and would suffer from twenty-four to thirty-six hours before birth, but this time only two hours. Have a fine baby girl and she is the most healthy one of all. I am still using the 'Favorite Prescription' as a tonic."

**OREGON REPUBLICANS INDOSE PRESIDENT ROOSEVELT AND HIS POLICIES.**

The Republican party of Oregon, in convention assembled, congratulates the state and Nation upon the continued ascendancy of Republican principles and policies in our National Government and the unprecedented prosperity that has followed the maintenance of those principles and the enforcement of those policies.

The honor of the Nation has been fearlessly and sagaciously maintained at home and abroad, whether in the enforcement of law against defiant corporations, in vigorous protest against outrages on Americans in Syria, Jewish Massacres in Russia and unfavorable machinations of European powers in Asia.

President Roosevelt has redeemed his pledge to carry out the policies of the party as formulated by that great statesman and revered martyred President, William McKinley.

He has shown himself the foe of corruption in public life, the ardent champion and wise friend of the Army and Navy, and the firm believer in equal rights before the law to employer and employee, rich or poor, black or white.

Under his energetic leadership the Isthmian Canal, frustrated for a time by a Democratic President, is soon to be realized and to distinguish his Administration by one of the grandest engineering triumphs known to man.

We recognize the profound obligation under which Oregon rests to President Roosevelt for his active and determined effort on behalf of the Lewis and Clark Centennial, and we pledge ourselves to testify the sincerity of this appreciation by a rousing majority for the Republican ticket in June and again in November.

In this connection we especially indorse the tireless labors of Senators Mitchell and Fulton and Representatives Hermann and Williamson.

We instruct the delegates for this convention to the Republican National Convention at Chicago to vote first and last for Theodore Roosevelt for President, and to use all honorable means for bringing his nomination to pass.

**THE DELEGATION IN CONGRESS**

For the first time in years the State of Oregon is represented in both houses of Congress by a strong, harmonious, united and effective delegation, inferior to none from the West.

Their efforts in behalf of the Nation, their party and their state have been crowned with signal success, and we hereby express to them our confidence and esteem and pledge them our support in their further efforts to advance the interests of Oregon and the Pacific Coast.

**MONEY**

Thanks to the courage and wisdom of two Republican Administrations and four Republican Congresses, the money of the Nation has been securely established upon the gold standard, the standard of the enlightened nations of the world.

The per capita circulation is the largest in our history, and every dollar of paper and coin is as good as gold.

We commend the measures now pending in Congress, at the instance of Republican members, further amending the currency and banking laws in the direction of safety and elasticity.

**TARIFF**

We renew our allegiance to the principle of protection to American industries.

The merits of the Dingley law are attested by the unprecedented prosperity of the Nation since its passage in 1897.

Schedules must be changed from time to time, as new conditions arise, but when the tariff is revised it must be by the friends, and not by the foes, of American industry.

**THE TRUSTS**

We heartily commend the fearless and determined course pursued by President Roosevelt and Attorney-General Knox toward the trusts, and we point with pride to the hostility aroused against the Administration among the speculators of Wall street and corporations that defy the law.

Obedience to the law against monopoly inflicts no hardship on any honest industry, and the action of the President in the Northern Securities merger and other cases has only served to check dangerous speculation and encourage every legitimate enterprise.

**THE PHILIPPINES**

We indorse the policy enunciated by President McKinley and followed by Secretary Taft of "the Philippines for the Filipinos," and we especially commend the earnest and persistent efforts made by Senator Mitchell for lower tariffs between the Philippines and the United States.

We hold that the Philippines must be retained by the United States for their own good as well as for a base of American influence in the Far East, but that justice requires the least possible burdens upon their commerce with the United States, that they may be cemented to us by ties of self interest and affection.

In the interest of Pacific development, we demand for the Philippines the same liberal and beneficent treatment that has been accorded to Hawaii and Porto Rico.

Proud of the history and achievements of our party, and especially of the present Administration and the beneficent results that our nation is receiving therefrom, and particularly our old Oregon Country, we confidently submit our cause to the patriotic citizens of our state for indorsement and earnestly appeal to them to show their gratitude and appreciation to President Roosevelt and our Republican leaders in Congress for honoring our history and aiding in the development of our matchless resources.
