WEEKLY WEATHER REPORT.

Below we give a report of the weather as recorded by the Government weather bureau station at The Examiner Office. This report is changed each week, and if our readers wish to keep a yearly record of weather conditions for future reference, cut out the report along the black line and paste it in a scrap book one week after another. This record will be taken on Tuesday to end each week and begin on Wednesday for the next week. Government Weather Bureau Station at Lakeview, Oregon,
C. O. METZKER, Local Observer.

Week ending Tuesday, June 7, 1904.

Most Married Man in America.

Peter West of Pendleton, who recently applied for a pension, says he has been married ten times and was divorced from eight of his wives, one died and he is still living with No. 10. His statement was not believed, but records prove Mr. West to be the most married and divorced man in the United States. Only 12 days elapsed at one time between the date of his marriage to the next. Mr. West has but four children. He fought in the Seventh Iowa Cavalry. The dates of his marriage and divorces follow:

- Eliza Hubbard, married in Waterloo, Ia., divorced there in 1868.
- Bertha Meirs, married December 7, 1868, in Independence, Ia.; divorced in Waverly, Ia., in 1873.
- Emma Dixon, married in Sacramento, Cal., October 12, 1875; divorced January 18, 1879, in Iowa City, Iowa.
- Elizabeth Bray, married July 4, 1879, in Winnemucca, Nev.; divorced December 19, 1881, at the same place.
- Frances Westfall, married August, 1882, at Rye Patch, Nev.; divorced June 10, 1885, at Winnemucca Nev.
- Mary Pendleton, married November 24, 1886, Oakland, Cal.; divorced December 19, 1890, at Reno, Nev.
- Lucy E. Johnson, married December 31, 1890, in Reno, Nev.; divorced February 13, 1896, at Pendleton, Or.
- Helinda E. Hanley, married July 2, 1897, at Pendleton, Or.; died May 17, 1898, at same place.
- Laura F. Burget, married August 1898, at Pendleton, Or.; divorced April 4, 1899.
- Pauline Miller, married October 25, 1899, at Pendleton, Or.
