Sued by his Doctor.

"A doctor here has sued me for \$12.50 which I claimed was excessive for a case of cholera morbus," says R. White, of Cochechia, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had good reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Lee Beall.

The Editor and The Lawyer.

Occasionally you hear a person say, "Oh, what an editor says in his paper don't amount to anything," but you let his remarks constitute a basis upon which a libel suit can be instituted and you will see whether or not what the editor says is noticed. An exchange explains the editor's position this way: "A lawyer in a courtroom may call a man a liar, scoundrel, villain or thief, and no one makes a complaint when court has adjourned. If a newspaper prints such reflections on a man's character there is a libel suit or a dead editor. This is owing to the fact that people believe what an editor says, but what a lawyer says cuts no figure."

Triumphs of Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on the same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering that such injuries entail. For sale by Lee Beall.

A MOTHER'S LOVE.

A mother's love is so divine that the roughest man cannot help but appreciate it as the crown of womanhood. However, Motherhood is looked forward to with feelings of great dread by almost all women. At such times a woman is nervous, dyspeptic, irritable, and she is in need of a uterine tonic and nerve strength builder to fit her for the ordeal. No matter how healthy or strong a woman may be she cannot help but be benefited by taking Dr. Pierce's Favorite Prescription to prepare for the event.

"This is what one mother says: 'With a heart overflowing with gratitude, I will endeavor to write you. It is nearly two years ago since I first wrote to you for advice regarding my health which was then very bad.' writes Mrs. L. Dooye, of Hinesdale, Ky. to Dr. R. V. Pierce, chief consulting surgeon of the 'Hospital' and surgical institute, at Buffalo, N. Y. 'I have described my sufferings in other letters to you. After receiving your advice and the 'Common Sense Medical Adviser' I bought some of your 'Favorite Prescription,' and to-day am a well woman and the proud mother of a dear little boy.'"

Backed up by over a third of a century of remarkable cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

Their financial responsibility is well known to every newspaper publisher and druggist in the United States, with most of whom they have done business for over a third of a century.

How to live in health and happiness, is the general theme of Dr. Pierce's Common Sense Medical Adviser. This great work on medicine and hygiene, containing over 1000 pages and more than 700 illustrations, is sent free on receipt of stamps to pay expense of mailing only. Send at once stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers.

OREGON REPUBLICANS INDORSE PRESIDENT ROOSEVELT AND HIS POLICIES.

The Republican party of Oregon, in convention assembled, congratulates the state and Nation upon the continued ascendancy of Republican principles and policies in our National Government and the unprecedented prosperity that has followed the maintenance of those principles and the enforcement of those policies.

The honor of the Nation has been fearlessly and sagaciously maintained at home and abroad, whether in the enforcement of law against defiant corporations, in vigorous protest against outrages on Americans in Syria, Jewish Massacres in Russia and unfavorable machinations of European powers in Asia.

President Roosevelt has redeemed his pledge to carry out the policies of the party as formulated by that great statesman and revered martyr President, William McKinley.

He has shown himself the foe of corruption in public life, the ardent champion and wise friend of the Army and Navy, and the firm believer in equal rights before the law to employer and employe, rich or poor, black or white.

Under his energetic leadership the Isthmian Canal, frustrated for a time by a Democratic President, is soon to be realized and to distinguish his Administration by one of the grandest engineering triumphs known to man.

We recognize the profound obligation under which Oregon rests to President Roosevelt for his active and determined effort on behalf of the Lewis and Clark Centennial, and we pledge ourselves to testify the sincerity of this appreciation by a rousing majority for the Republican ticket in June and again in November.

In this connection we especially indorse the tireless labors of Senators Mitchell and Fulton and Representatives Hermann and Williamson.

We instruct the delegates to this convention to the Republican National Convention at Chicago to vote first and last for Theodore Roosevelt for President, and to use all honorable means for bringing his nomination to pass.

THE DELEGATION IN CONGRESS

For the first time in years the State of Oregon is represented in both houses of Congress by a strong, harmonious, united and effective delegation, inferior to none from the West.

Their efforts in behalf of the Nation, their party and their state have been crowned with signal success, and we hereby express to them our confidence and esteem and pledge them our support in their further efforts to advance the interests of Oregon and the Pacific Coast.

MONEY

Thanks to the courage and wisdom of two Republican Administrations and four Republican Congresses, the money of the Nation has been securely established upon the gold standard, the standard of the enlightened nations of the world.

The per capita circulation is the largest in our history, and every dollar of paper and coin is as good as gold.

We commend the measures now pending in Congress, at the instance of Republican members, further amending the currency and banking laws in the direction of safety and elasticity.

TARIFF

We renew our allegiance to the principle of protection to American industries. The merits of the Dingley law are attested by the unprecedented prosperity of the Nation since its passage in 1867.

Schedules must be changed from time to time, as new conditions arise, but when the tariff is revised it must be by the friends, and not by the foes, of American industry.

THE TRUSTS

We heartily commend the fearless and determined course pursued by President Roosevelt and Attorney-General Knox toward the trusts, and we point with pride to the hostility aroused against the Administration among the speculators of Wall street and corporations that defy the law.

Obedience to the law against monopoly inflicts no hardship on any honest industry, and the action of the President in the Northern Securities merger and other cases has only served to check dangerous speculation and encourage every legitimate enterprise.

THE PHILIPPINES

We indorse the policy enunciated by President McKinley and followed by Secretary Taft of "the Philippines for the Filipinos," and we especially commend the earnest and persistent efforts made by Senator Mitchell for lower tariffs between the Philippines and the United States.

We hold that the Philippines must be retained by the United States for their own good as well as for a base of American influence in the Far East, but that justice requires the least possible burdens upon their commerce with the United States, that they may be cemented to us by ties of self interest and affection.

In the interest of Pacific development, we demand for the Philippines the same liberal and beneficent treatment that has been accorded to Hawaii and Porto Rico.

Proud of the history and achievements of our party, and especially of the present Administration and the beneficent results that our nation is receiving therefrom, and particularly our old Oregon Country, we confidently submit our cause to the patriotic citizens of our state for indorsement and earnestly appeal to them to show their gratitude and appreciation to President Roosevelt and our Republican leaders in Congress for honoring our history and adding in the development of our matchless resources.
