EDWARD A. BEALS,
Section Director, Portland, Ore.

Wanted by His Doctor.

"A doctor here has sued me for \$12.50 which I claimed was excessive for a case of cholera morbus," says R. White, of Coacahela, Cal. "At the trial he praised his medical skill and medicine. I asked him if it was not Chamberlain's Colic, Cholera and Diarrhoea Remedy he used as I had 26 a reason to believe it was, and he would not say under oath that it was not." No doctor could use a better remedy than this in a case of cholera morbus, it never fails. Sold by Lee Beall.

Sheep shearing is completed in Lake county, and the clip was very good.

The Albany Timber Pool.

In the latter part of the year 1903, a large portion of the people who located timber claims through Dorgan & Devine in the northern part of Lake and Klamath counties, and in the southern part of Crook county in the Deschutes country, entered into a pool agreeing to hold the claims together until Jan. 1st 1905. And not to sell except in a body, and at a price not less than \$3000 per quarter, except two thirds of all in the pool should agree to take a less sum.

We are informed that about three weeks ago \$2000 per claim was offered for the whole body consisting of about 250 claims. A majority voted to take it, but the necessary two thirds would not consent.

Negotiations are still pending with the pool, and agents, supposed to represent the parties bidding for the land controlled by the pool, are now trying to pick up the outside claims not in the pool at \$1000 per quarter.

Triumphs of Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on the same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering that such injuries entail. For sale by Lee Beall.

Recent experiments conducted by most eminent scientists, prove that light is a great remedial agent; it is essentially Nature's agent. It may be either sunlight or electric light, but it has a decided effect in helping nature to banish disease and restore health. Other scientific men have proved that oxygen electrifies the heart and can prolong life.

The people on this earth are susceptible to some laws which govern plant life. A plant cannot be successfully grown in the dark. A man is seldom healthy and strong who lives in the dark or in sunless rooms. After all, Nature's ways are found to be the best. Nature's remedies are always best for eradicating disease, and by this we mean a medicine made of roots and herbs. They are assimilated in the stomach and taken up by the blood and are, therefore, the most potent means which can be employed for the regaining of lost health. Dr. R. V. Pierce, consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., in many years of extensive practice, found that he could pin his faith to an alterative extract of certain plants and roots for the cure of all blood diseases. This he called Dr. Pierce's Golden Medical Discovery. Containing no alcohol nor narcotics, entirely vegetable, this "Discovery" makes rich red blood and is a powerful tissue-builder, giving the tired business man or woman renewed strength and health. Rapidly growing school-boys and boys often show impoverished blood by the pimples or boils which appear on face or neck. To eradicate the poisons from the blood, and feed the heart, lungs and stomach on pure blood, nothing is so good as Dr. Pierce's Golden Medical Discovery.

Don't allow the dealer to insult your intelligence by offering his own blood remedy to you instead of this well-known preparation of Dr. Pierce's. Ten chances to one he will substitute a cheap compound having a large percentage of alcohol in it. Dr. Pierce's Pellets are the best for the bowels. Use them with the "Discovery."
