#### Come to Lakeview the Fourth.

We understand that several of our neighboring town are arranging to celebrate the Fourth of July. This shows a condition of prosperity throughout the country and a desire on the part of the people to keep a moving spirit in their midst. Whatever the inducements offered by other towns may be, we believe Lakeview will surpass its neighbors in the way of furnishing amusements to visitors. Nearly \$2,000 will be expended in Lakeview during the week of the Fourth in various amusements. The races will be an attraction and liberal donations have been made for other amusements. If you are going anywhere to spend the Fourth, come to Lakeview. Everybody is cordially invited here on that occasion, and fair treatment is guaranteed by the personnel of the various committees. Most everyone in Lake county and far down into Modoc can think of some matter of business that needs attention, and they can combine business with pleasure and spend a few days in Lakeview.

Geo. Harrow and W. B. Snider went to Paisley Tuesday. George went "just to be doing," and Warner used to go up there quite often, and it is not strange that he is going this time, as his wife is visiting at her father's near Paisley.
