At the May meeting of the directors of the Massachusetts Society for the Prevention of Cruelty to Animals and the American Humane Education Society, held May 18th, it was voted that in memory of the generous gift of the late Arloch Wentworth the Massachusetts Society hereby offers to the selectmen of each of the over three hundred Massachusetts country towns twenty dollars to aid in establishing watering troughs or fountains for animals, attached to which should be an iron cup for the use of human being, and on or near which shall be inscribed and painted the words, "Blessed are the Merciful."

The Selectmen of all Massachusetts towns are requested to kindly notify me of their acceptance and checks will then be forwarded to their chairmen.

We shall expect to publish widely a long list that have accepted our gift.

Cured of Chronic Diarrhoea After Ten Years of Suffering.

"I wish to say a few words in praise of Chamberlain's Colic Cholera and Diarrhoea Remedy," says Mrs. Mattie Burge, of Martinsville, Va. "I suffered from chronic diarrhoea for ten years and during that time tried various medicines without obtaining any permanent relief. Last summer one of my children was taken with cholera morbus, and I procured a bottle of this remedy. Only two doses were required to give her entire relief. I then decided to try the medicine myself, and did not use all of one bottle before I was well and I have never since been troubled with that complaint. One cannot say too much in favor of that wonderful medicine." This remedy is for sale by Lee Beall.

OREGON REPUBLICANS INDORSE PRESIDENT ROOSEVELT AND HIS POLICIES.

The Republican party of Oregon, in convention assembled, congratulates the state and Nation upon the continued ascendancy of Republican principles and policies in our National Government and the unprecedented prosperity that has followed the maintenance of those principles and the enforcement of those policies.

The honor of the Nation has been fearlessly and sagaciously maintained at home and abroad, whether in the enforcement of law against defiant corporations, in vigorous protest against outrages on Americans in Syria, Jewish Massacres in Russia and unfavorable machinations of European powers in Asia.

President Roosevelt has redeemed his pledge to carry out the policies of the party as formulated by that great statesman and revered martyred President, William McKinley.

He has shown himself the foe of corruption in public life, the ardent champion and wise friend of the Army and Navy, and the firm believer in equal rights before the law to employer and employe, rich or poor, black or white.

Under his energetic leadership the Isthmian Canal, frustrated for a time by a Democratic President, is soon to be realized and to distinguish his Administration by one of the grandest engineering triumphs known to man.

We recognize the profound obligation under which Oregon rests to President Roosevelt for his active and determined effort on behalf of the Lewis and Clark Centennial, and we pledge ourselves to testify the sincerity of this appreciation by a rousing majority for the Republican ticket in June and again in November.

In this connection we especially indorse the tireless labors of Senators Mitchell and Fulton and Representatives Hermann and Williamson.

We instruct the delegates for this convention to the Republican National Convention at Chicago to vote first and last for Theodore Roosevelt for President, and to use all honorable means for bringing his nomination to pass.

THE DELEGATION IN CONGRESS

For the first time in years the State of Oregon is represented in both houses of Congress by a strong, harmonious, united and effective delegation, inferior to none from the West.

Their efforts in behalf of the Nation, their party and their state have been crowned with signal success, and we hereby express to them our confidence and esteem and pledge them our support in their further efforts to advance the interests of Oregon and the Pacific Coast.

MONEY

Thanks to the courage and wisdom of two Republican Administrations and four Republican Congresses, the money of the Nation has been securely established upon the gold standard, the standard of the enlightened nations of the world.

The per capita circulation is the largest in our history, and every dollar of paper and coin is as good as gold.

We commend the measures now pending in Congress, at the instance of Republican members, further amending the currency and banking laws in the direction of safety and elasticity.

TARIFF

We renew our allegiance to the principle of protection to American industries.

The merits of the Dingley law are attested by the unprecedented prosperity of the Nation since its passage in 1897.

Schedules must be changed from time to time, as new conditions arise, but when the tariff is revised it must be by the friends, and not by the foes, of American industry.

THE TRUSTS

We heartily commend the fearless and determined course pursued by President Roosevelt and Attorney-General Knox toward the trusts, and we point with pride to the hostility aroused against the Administration among the speculators of Wall street and corporations that defy the law.

Obedience to the law against monopoly inflicts no hardship on any honest industry, and the action of the President in the Northern Securities merger and other cases has only served to check dangerous speculation and encourage every legitimate enterprise.

THE PHILIPPINES

We indorse the policy enunciated by President McKinley and followed by Secretary Taft of "the Philippines for the Filipinos," and we especially commend the earnest and persistent efforts made by Senator Mitchell for lower tariffs between the Philippines and the United States.

We hold that the Philippines must be retained by the United States for their own good as well as for a base of American influence in the Far East, but that justice requires the least possible burdens upon their commerce with the United States, that they may be cemented to us by ties of self interest and affection.

In the interest of Pacific development, we demand for the Philippines the same liberal and beneficent treatment that has been accorded to Hawaii and Porto Rico.

Proud of the history and achievements of our party, and especially of the present Administration and the beneficent results that our nation is receiving therefrom, and particularly our old Oregon Country, we confidently submit our cause to the patriotic citizens of our state for indorsement and earnestly appeal to them to show their gratitude and appreciation to President Roosevelt and our Republican leaders in Congress for honoring our history and aiding in the development of our matchless resources.
