## A BUSINESS PROPOSITION

If you are going east a careful selection of your route is essential to the enjoyment of your trip. If it is a business trip time is the main consideration; if a pleasure trip, scenery and the convenience and comforts of a modern railroad. Why not combine all by using the ILLINOIS CENTRAL, the Up-to-Date Road, running two trains daily from St. Paul and Minneapolis and from Omaha to Chicago. Free Reclining Chair Cars, the famous Buffet-Library-Smoking Cars, all trains vestibuled. Tickets reading via the Illinois Central will be honored on these trains and no extra fare charged. Our rates are the same as those of inferior roads—why not get your money's worth. Write for particulars.
