FEMALE WEAKNESS

MS 1-2 Congress St.
Portland, Maine, Oct. 17, 1902.
I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suf-fered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina S. S. S.
Treasurer, Portland Economic League

Periodical headaches tell of fe-male weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. COMPOUND INTEREST

The trouble with most adver-tisers is that they expect imme-diate returns of large propor-tions. One prominent advertiser illustrates the principle of adver-tising in this way:

"The money expended for advertising is the same as if placed at interest. The profits from the advertising are virtually the interest on the investment."

"The sum spent for advertising are properly chargeable to cap-ital account because the result-ing good will is something that has value, which, if the adver-tising has been properly done, can usually be sold for the face value of the investment."

"The rate of interest is deter-mined by the skill with which the investment is made."

"Just as the quickest way to increase invested wealth is by compounding the interest, just so the quickest way to realize re-sults from advertising is to com-pound the returns."—Advertising Experience.
