# NATIONAL REPUBLICAN TICKET

For President THEODORE ROOSEVELT Of New York

For Vice-President CHARLES W. FAIRBANKS Of Indiana

The greatest advantage of protection is to be seen in the condition of labor.

Parker to write their money plank rains have improved spring sown should be fair and allow Millionaire Davis to revise their trust plank to years; only one cutting anticipated; suft his pleasure and his interests.

"What makes you think we won't slect the Democratic ticket?" shouts Col. Watterson. We'll answer that, Colonel, when you tell us first what enakes you think you will, if you really think that way.

One thing must be said in Judge Parker's favor. He thinks so well of the Republican gold standard policy that he has recommended it to a party he knows does not believe in it and is not honest in claiming to do so.

During the last two years rule under Mr. Cleveland's administration values in livestock in the United States decreased \$664,060,375. The shrinkage in the value of our sheep alone during the same two years was \$59,223,497, nearly one-half their value under republican government.

# Couldn't Sleep Without It.

A story is told on Judge Parker, democratic candidate for president, that accounts for his swimming qualities. When a very young man, he went to see his girl, and stayed quite late. While there a small stream between his home and the home of his sweetheart, had risen from the heavy rain, and his sweetheart feared that he would be drowned if he attempted to go home that night. She asked the young man to remain over night, to which he consented. The girl went up stairs to fix a bed for him, and while she was doing this Alton hurried home and soon returned with his night gown.

# Democrats Favor Trusts.

After all the denunciations of Hryan and the democratic party as a mass against trusts, the platform upon which Judge Parker will run contains a plank most favorable to trusts. It reads: "Corporations chartered by the state must be subject to just regulation by the state in the interest of the people."

There can be no mistaking the meaning of that declaration, which was approved by Judge Parker, August Belmont and David B. Hill nearly two months before the St. Louis convention, at a conference in New York prior to the state convention. It simply abolishes National control of trusts, and would, if Judge Parker should be elected, compel the repeal of the statute under which the Northern Securities case was brought before President Roosevelt and won by him.

An English journalist in Berlin declares that the German crown prince is not his father's favorite son, and that no one who has seen the kaiser with his boys can doubt that he prefers Eitel to his oldest brothers. The crown prince is kept very much in the background on most occasions.

Another innovation in the Russian department of commerce and navigation is the determination to open the department to the employment of women as bookkeepers, correspondents and typewriters, independent of the proportion of men employed.

WHAT OAME OF A

My Dear Aunt Kate must tell you the good after resciving your letter, the day before New Year's I started in with new resolutions on the first of the year. I wrote to Dr. R. V. Pierce, at Buffalo, N. Y., as you requested me to do. I gave him all my symptoms, which were that I was tired—so tired—all the time and did not care to go anywhere, depressed and sad, and all ambition gone, backache and a dragged out feeling, could not sleep, limbs feeling sore and aching. I followed the doctor's advice, which he went to considerable pains to make plain to me—to rest every day—a nap after lunch—complete relaxation—cultivate repose of mind, try not to worry, get as much outdoor air as possible, and prac-tice long, deep breathing expanding the lungs. Then for a uterine tonic, Dr. Pierce's Favorite Prescription, coupled with a wash he told me of. I must say that after follow-ing his advice for four months I feel per-fectly cuted and like a new woman.

Yours affectionally, JEWEL. Letters like the above are not unusual. Mrs. Kooman, of 832 Grant Ave., Schenectady, N. Y., says: "I continued with the medicine until I had taken five bottles, also two vials of the 'Pleasant Pellets,' and I was cured. I always recommend Dr. Pierce's medicines to my friends when they are not well."

"My daughter is in quite good health, thanks to Dr. Pierce's medicines. My wishes are that all who are afflicted will try them and see what good can be done for the sick," writer Mrs. Elizabeth McConell, of Rochester, Ind.
