

Efforts to Convict Benson.

The Government is going to make a determined stand in its attempt to prosecute the principals in the Benson-Hyde-Dimond land ring in San Francisco, when the case comes up the middle of the month. Notwithstanding the set-back which the prosecution received by the decision of Judge Lacombe, of New York, who held the indictment failed to charge Benson with any crime against the United States, the Government will insist before the San Francisco court that crime against the General Government is charged and sufficiently shown in the several counts of the indictment.

To strengthen the Government's case, Assistant Attorney-General A. B. Pugh, who worked up the evidence against Benson and others, is to leave for San Francisco in a few days to be present at the hearing. He will carry with him a copy of Judge Lacombe's decision and a mass of evidence and authorities to show the fallacy of that ruling.

Secretary Hitchcock, it is understood, has instructed the department authorities to use the utmost efforts to have Benson and his associates held for trial, and it is under his instructions that Pugh goes to San Francisco to make what may be the last stand against the land ring. Pugh refuses to discuss his mission or to comment in any way upon Judge Lacombe's decision.—Oregonian.

Beware of Ointments for Catarrh that Contain Mercury

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by Druggists, 75 cents per bottle. Hall's Family Pills are the best.

Suicide Prevented.

The startling announcement that a preventive of suicide had been discovered will interest many. A run down system, or dependency invariably precedes suicide and something has been found that will prevent that condition which makes suicide likely. At the first thought of self destruction take Electric Bitters. It being a great tonic and nerve, will strengthen the nerves and build up the system. A New Game.

An exchange tells of a new game being introduced for the amusement of young people. Here is the way the game is played: A young man calls on his girl, and takes along a small apple. At the proper time he tosses the apple in the air. If it comes down, he kisses the girl; if it stays up, he does not. (The above is not an altogether new game, as it has been played in Lakeview for a long time; only without the apple.)

The Death Penalty.

A little thing sometimes results in death. Thus a mere scratch, insignificant cuts or puny boils have paid the death penalty. It is wise to have Bucklen's Arnica Salve ever handy. It's the best salve on earth and will prevent fatality, when Burns, Sores, Ulcers and Piles threaten. Only 25c, at Lee Beall's Drug Store.
