MRS. H. D. GIBBINS, PROP'R
New Pine Creek, Oregon.

An Excellent Proposition.

This week we have added to our long list of valuable properties for sale, one of the best ranches in Goose Lake valley. The ranch contains 345 acres of fine land, 250 under cultivation partly in grain and the rest in timothy. Abundant crops are produced, and all the uncultivated land can be put under water from Lassen Creek, which runs through the middle of the farm. There is absolutely no limit to the water. The land is fine for alfalfa, borders on Goose Lake, and is all under fence. On the ranch, most beautifully located near a good orchard and large berry patch where grows all kinds of fruit, and in a beautiful grove of shade trees is a 12-room dwelling, 38 x 18, 20 feet high, with large L. kitchen worth \$3,000; a good barn, wagon shed, granary, chicken house, work shop, and all convenient outbuildings. All kinds of garden stuff grows abundantly, no frost. Best stock raised plus for stock in winter in Goose Lake valley, and little snow. Close to timber range. Streams abound with fish.

Spring is Come and Gone
