SOME THINGS TO
INTEREST
ALL OUR READERS

Beer is said to be an antidote for mosquito bites.

The first Catholic church ever built in Chicago cost \$300.

It takes three years for the eggs of the dragon fly to become the perfect fly.

Four thousand pigeons in the heart of London have become a nuisance.

An effort is to be made at Niagara Falls to reduce iron ore by electricity on a commercial scale.

Military men say the mule never kicks man, comic papers to the contrary notwithstanding.

Twelve hundred wires have been enclosed in a telephone cable two and one half inches in diameter.

Some English employers advertise in the papers the death of faithful servants and add laudable remarks.

A white headed vulture taken in 1706 died in the zoological gardens at Vienna in 1824, thus living 118 years in captivity.

Look at the descriptions of the land listed with The Examiner this week for sale, and select your piece before it has been sold to some one else.

Hachiman, the god of war in Japan, strange to say, loves a dove, a bird symbolical in the west of peace and not of war.

We have some valuable land for sale cheap. It must be sold, and can be had at a figure that makes it a good investment. Write the Examiner.

Dogfish are eating up many of the best food fishes in Maine waters and frightening away most of those that escape their ravenous maws.

A recent prize guessing contest on the number of feathers on a hen brought out one surmise of 600,000,017. The correct number was 8120.

A 26 inch umbrella that will fold up and go in an inside pocket without crowding has been invented and constructed by a Minneapolis man.

The toad is exceptionally greedy. It feeds continuously throughout the night, and in 24 hours consumes a quantity of insect equal to about four times its stomach capacity.

A residence for sale cheap.—One acre of ground, house, barn and out-buildings; has city water, and is a desirable place to live. Enquire at The Examiner office.

An English farmer has had several cats killed, stuffed and placed in threatening attitudes among the branches of his fruit trees. Not a bird will come anywhere near the orchard.

We are receiving numerous inquiries for farms and business locations, and can find a buyer for any kind of property if placed in the hands of The Examiner Real Estate Co's hands.

Koryak women of northwestern Siberia, having no carriages in which to convey their offspring, resort to the ingenious method of dropping the tiny creatures into blanket bags which are tightly strapped about the mother's necks.

We are now prepared to sell several tracts of land at prices that will startle you, especially if you are acquainted with the location. We have land all the way from \$1.50 per acre up to \$15; unimproved or improved, to suit the purchaser. Lake County Examiner.

If every person knew that it is impossible to sink if one keeps his arms under water and moves his legs as if he were going upstairs, and that one may keep this motion up for hours before fatigue ends it, there would be few casualties. Such is the fact.

European experimenters have evolved a new combustible, to which they have applied the name of "osmon." It is produced from raw pent.

Several copies of the Northwestern Stock Directory, compiled by Sloss & Lightly, printers of Alturas, have been left at this office for distribution. It is a valuable book for stockmen and worth the price.

Italy has 16,700,000 trees bearing oranges, lemons and pomegranates. Of last year's crop 844,329 hundred weight went to Great Britain, 729,327 to South America.

California farm for sale at a big bargain. 100 acres fenced and cross fenced. Cost present owner \$10,500 but will be sold for \$5000; 1/3 down and balance on easy payments. Inquire at this office.

The largest peanut fields in the world are supposed to be in Gulana on the north coast of Africa. There they are grown by hundreds of tons. The quality is inferior, however, and the bulk is shipped to Marseilles, France.

Breech loading firearms are generally supposed to be quite modern, but as students of the subject are aware, some very curious experiments with breech loaders and revolvers were made at an early date. Thus there was recently sold at auction in London a bronze breech loading cannon, four feet six inches in length, which was cast in 1563. It was a relic of the Armada.

The Examiner has for sale one of the best stock ranches in Lake county on very reasonable terms—600 acres, all fenced, and well watered. This is a great bargain and will not remain long unsold. We also have a dozen other ranches and farms to dispose of. If you have any land or property to sell, list it with the Examiner. Send in description and we will sell it for you.

AGENTS WANTED—\$150 and up per month to energetic representatives in every city and town in Oregon, Washington and Idaho; dignified, honorable, permanent and immensely profitable employment at home or on the road something new; send stamp or call at office for details. Square Deal Brokerage Company, 129, 7th St., Portland, Oregon.

The Examiner has an 8-acre tract of land for sale at a bargain; the land lies in a body in the northern part of Lakeview, and is now set to clover and timothy, and yields 20 tons of hay a year, leaving a valuable pasture. The hay sells at the top price in Lakeview. The tract is a desirable one, either to retain in one piece or to cut up into lots for residences. Anyone desiring to build a home in Lakeview will do well to investigate this proposition.

Ayer's

You know the medicine that makes pure, rich blood—Ayer's Sarsaparilla. Your mother, grandmother, all your folks, used it. They trusted

Sarsaparilla

it. Their doctors trusted it. Your doctor trusts it. Then trust it yourself. There is health and strength in it.

"I suffered terribly from indigestion and thin blood. I found no relief until I took Ayer's Sarsaparilla. Four bottles permanently cured me."

MRS. F. R. HART, Mt. Kisco, N. Y.

for **Rich Blood**

Ayer's Pills are gently laxative. They greatly aid the Sarsaparilla.

The Leading Paper of the Pacific Coast

The San Francisco Chronicle

The Weekly Chronicle—The very best weekly Newspaper published in the entire West.

\$1.50 a Year

Including postage to any part of the United States, Canada, and Mexico.

It is best because, besides printing all the news of the world each week in an interesting way and with illustrating many articles, it has special departments devoted to—

AGRICULTURE
HORTICULTURE
FOULTRY
LIVESTOCK
MINING
LITERATURE
FASHIONS
and SPORTS

These are provided over by editors having a thorough knowledge of their specialties. The paper devoted to Agriculture, Horticulture, Poultry and Livestock is well illustrated and filled with matter of the greatest interest to all engaged in these pursuits, every line being written by those who are in close touch with conditions prevailing on the ground.

SEND FOR SAMPLE COPY. It will be sent free.

Do you want the Chronicle's Reversible Map?

Showing the United States, Dominion of Canada and Northern Mexico on one side, MAP OF THE WORLD, presenting to view in one continuous map with all details in true proportion, the entire surface of the Earth on the other side.

Send \$2 and get the Map and "Weekly Chronicle" for one year, postage prepaid on Map and Paper.
