(From the Record.)

Wm. Wimer of Lake City has a relic of early days on exhibition at his saloon. It is an old-style cap and ball five-shooter. About thirty years ago two men, named Woods and Ford had some trouble and Ford took this pistol down into the field to kill Woods with it. Woods knocked the pistol out of Ford's hand and it was lost, thus preventing a tragedy. The pistol was found only a short time ago and passed into the possession of Mr. Wimer.

For some weeks past a great deal of difficulty had been experienced in transmitting telegrams over the wire from Lakeview to Fort Bidwell and south. Supt. McKinstry last week went over the line and found that one of the wires of the electric plant was connected with the telegraph line, thus cutting it out. The necessary repair was made and the instrument was moved into Fleming Bros. store.

J. W. Mikel and wife of Lakeview arrived here last Saturday on a visit to old-time friends, who were pleased to see them.

Hard Lot of a Wyoming Editor.

Editing a newspaper is a nice thing. If we publish jokes people say we are rattle-brained. If we don't people say we are fossils. If we publish original matter they say we don't give them enough selections. If we give them selections they say we are too lazy to write. If we don't go to church we are heathens. If we do go we are hypocrites. If we remain at the office we ought to be out looking for news items. If we go out then we are not attending to business. If we wear old clothes they laugh at us. If we wear good clothes they say we have a pull. Now, what are we to do? Just as likely as not some one will say that we stole this from an exchange. So we did. It's from the Wyoming Derrick.—Dillon (W.) Doublejack.

Metals get tired as well as living beings. Telegraph wires are better conductors on Monday than on Saturday on account of their Sunday rest, and a rest of three weeks adds 10 per cent to the conductivity of a wire.

Judge Parker demands that we give the Filipinos self-government "as soon as they are reasonably prepared for it." Just what the Republican administration is doing, Judge—preparing them for it.

The advance guard of the Democratic host has reached the Republican gold standard camp. They may be expected to catch up on the tariff march of progress in about eight more years.

His Marks.

"Did you get any marks at school today for good conduct, Johnny?"
"Yes, mother, dear, several of them—almost as many as the last time father gave me some."

The outlook for a splendid fall business is most favorable and will continue favorable so long as Republican success seems assured beyond question.

It is not necessary for President Roosevelt to make any campaign speeches. The American people know where he stands on every issue that concerns their welfare.

Wine of Cardui Cured Her.

213 South Prior Street, ATLANTA, GA., March 21, 1903.

I suffered for four months with extreme nervousness and lassitude. I had a sinking feeling in my stomach which no medicine seemed to relieve, and losing my appetite I became weak and lost my vitality. In three weeks I lost fourteen pounds of flesh and felt that I must find speedy relief to regain my health. Having heard Wine of Cardui praised by several of my friends, I sent for a bottle and was certainly very pleased with the results. Within three days my appetite returned and my stomach troubled me no more. I could digest my food without difficulty and the nervousness gradually diminished. Nature performed her functions without difficulty and I am once more a happy and well woman.
