ROOSEVELT AND FAIRBANKS.

**NATIONAL REPUBLICAN TICKET**

For President  
**THEODORE ROOSEVELT**  
Of New York

For Vice-President  
**CHARLES W. FAIRBANKS**  
Of Indiana

**REPUBLICAN SINCERITY.**

"We ask that their promises and ours be judged by what has been done in the immediate past. We ask that sober and sensible men compare the workings of the present tariff law, and the conditions which obtain under it, with the workings of the preceding tariff law of 1894 and the conditions which that tariff of 1894 helped to bring about."—THEODORE ROOSEVELT.

**Democratic Insincerity.**

"We are more fortunate than our opponents, who now appeal for confidence on the ground, which some express and some seek to have confidentially understood, that if triumphant they may be trusted to prove false to every principle which in the last eight years they have laid down as vital, and to leave undisturbed those very acts of the administration because of which they ask that the administration itself be driven from power."—THEODORE ROOSEVELT.

Why in the mischief aren't the Democratic speakers "pointing with pride" to the blooming good times we had under the last Democratic administration? Why aren't they reminding the old forgetful farmers what fabulous prices they got for their farm stuff along then? Why don't they say something about what a great demand there was for labor and how easy it was to pay debts and lay up money? Reckon they just hadn't thought about that.

Whenever the people get to be such gumps as to turn down prosperity and take up another period of soup-house and starvation, calamity and Coxy armies, rags and ruin, like the one Grover gave us, and like Parker would give us if elected, then it will be high time to burn the Declaration of Independence, crush the Liberty Bell into dust, march the Fourth of July off the calendar and swear we're a set of scoundrels and don't want to be anything else.

Edwin Sheffield, leader of the Holy Rollers, was convicted and sentenced to 2 years in the penitentiary. Like other fanatics, Clefield, when sentence was pronounced, said "God Bless the Judge," and claiming that he was only complying with God's wishes, and believed that he was undergoing the same ordeal that Christ underwent when he was crucified.

The man who would be willing to see Grover Cleveland's favorite candidate inaugurated president next March could swallow an old rubber boot without greasing. He would be willing to see his happy wife leave the piano and go to sweating over the wash-tub at two shillings a day; he would be willing to see his happy, rosy-cheeked, well-dressed children leave school and go to begging for bread in the streets. Shame on such a man.

**Special Excursions to St. Louis.**

August 8, 9 and 10, September 5, 6 and 7 and October 3, 4 and 5 are the remaining dates upon which tickets will be sold at the reduced rates to the St. Louis Fair. These rates apply over the Denver and Rio Grande and Missouri Pacific. For the patrons of these roads special excursion cars will be run through from Portland and St. Louis without change.

See the many points of interest about the Mormon Capital and take a ride through Nature's picture gallery. During the closing months travel to the Fair will be very heavy. If you contemplate going write W. C. McBride, general agent at Portland for the Denver and Rio Grande, for particulars of these Excursions.

Earl W. Peterson of East Berkshire, Vt., has a patch of strawberries (Brandywine) 111 feet by 43 feet, from which he has picked 14 or 15 bushels. One morning he gathered 87 baskets, the patch the day before being picked clean. As to the size of the berries, a few measured five inches in circumference and 30 filled a basket.

**Sheep or Cattle Ranch.**

More ranches for sale. This time a sheep ranch of 14 forties lying along Pitt River, and controls a vast range on the banks of the river and for miles back. This stock ranch is a snap at \$6800. Write to the Lake County Examiner for particulars.

Gifford Pinchot, the millionaire forester for the government, lives almost entirely upon chocolate cakes made after a special formula. Recently he was lost for two days and nights in the Rocky mountains, during which time his only food was a small cake of his favorite.

The Russian battleship, Lena, was dismantled at the Mare Island Navy Yard at San Francisco harbor, and will lie there until the close of the Russian-Japanese war.

A RACE FOR LIFE.

Spurring his jaded horse to renewed efforts when the animal should be refreshed with proper food and rest, is about as sensible as prescribing nerve tonics, alcoholic compounds, coca mixtures and cocktails which only spur on the already weakened nervous system. Neither does it do to put the nerves to sleep with narcotics. When you feel worn-out, broken down, jaded, and feel the effects of brain the new Dr. Pierce's Golden Medical Discovery, a tonic which will draw from your system all the impurities, restore your strength and give you a new lease on life. It is the only medicine that can be taken in any form. It is the only medicine that can be taken in any form. It is the only medicine that can be taken in any form.

It has been seven months since using Dr. Pierce's Golden Medical Discovery, and I only need three bottles of the medicine when it made me feel like a new man. Write to A. Miller, Esq. 1234 N. 1st St., St. Paul, Minn., for a free copy of his book "City of the Starved Nerve." Read the nervous system rich blood and all nervous manifestations will cease.
