## WE ARE STUDYING HARD

All the time studying methods and means to increase our business. We invite you to investigate our methods, because we are sure you will be so favorably impressed that you will decide to favor us with your patronage.

### SKIRTS

There are some gray dress skirts here that can't fail to please. They are of cloth heavy to insure satisfactory wear and are beautifully trimmed. A lady of taste will find here "just the thing." From \$3.00 up.

### SHOES

For the uncertain weather of fall you must have good shoes. That is what we are recommending just now. They should be heavy enough to withstand the dampness, and substantial enough to keep your feet from getting cold. Good shoes may prevent serious illness, and, at any

rate, ours are well worth the price we ask for them.

### UMBRELLAS

With good, strong frames well covered with mercerized silk, or cotton. They are the Paragon frames, have seven ribs, steel rods, and can be had with natural wood, bone, gold-plated and silver handles. An umbrella that is not high priced, yet neat and serviceable, from 75 cents to \$2.50.

### BREAKFAST FOODS

Packed in nice, clean, air-tight packages, and sold at popular prices. We have them all in stock, and make a leader of none. Your favor-

ite is what you get when you ask for it at our store; no substitution goes with us. We are selling large quantities, but want to sell more. Include some in your next grocery order.

### CANNED GOODS

Our canned goods are all fresh and are the best efforts of experience in buying and canning. They are composed of the best fruits and vegetables, cleanly and carefully packed and are sure to satisfy the most particular buyer. Everything in this line at a reasonable price, considering superior quality.
