"Hit the Trail" is to be the slogan of the Pacific Northwest in connection with the Lewis and Clark Centennial.

We are now prepared to sell several tracts of land at prices that will startle you, especially if you are acquainted with the location. We have land all the way from \$1.50 per acre up to \$15; unimproved or improved, to suit the purchaser. Lake County Examiner. 3

The project of a camping ground to be located on the hills behind the Lewis and Clark Exposition is being agitated. Those favoring the project, argue that farmers and ranchers will want to drive to Portland during the Fair and camp out, and that Eastern people will enjoy the novelty of a few days of tent life.

H. W. Scott, editor of the Oregonian, was offered his choice of two important posts in the diplomatic service. These were tendered him by the President through the solicitation of Senator C. W. Fulton, and when Mr. Fulton wired Mr. Scott that the President would be glad to appoint him to a prominent post, the editor thanked Senator Fulton, but declined any appointment.

A residence for sale cheap.—One acre of ground, house, barn and out-buildings; has city water, and is a desirable place to live. Enquire at The Examiner office. 26 tf

The Anti-saloon League of Portland has decided to let the Local Option law stand and not try any amendments. They will stand in with the prohibitionists and fight all amendments offered to the new law in the legislature this winter.

The Examiner has for sale one of the best stock ranches in Lake county on very reasonable terms—800 acres, all fenced, and well watered. This is a great bargain and will not remain long unsold. We also have a dozen other ranches and farms to dispose of. If you have any land or property to sell, list it with the Examiner. Send in description and we will sell it for you. 38tf

The Examiner has an 8-acre tract of land for sale at a bargain; the land lies in a body in the northern part of Lakeview, and is now set to clover and timothy, and yields 20 tons of hay a year, leaving a valuable pasture. The hay sells at the top price in Lakeview. The tract is a desirable one, either to retain in one piece or to cut up into lots for residences. Anyone desiring to build a home in Lakeview will do well to investigate this proposition. 26 tf

### A Comprehensive Educational Display.

Portland, Jan. 1st. Plans for the educational department of the Oregon display at the Lewis and Clark Centennial have been outlined by General Supervisor R. F. Robinson and approved by the State Commission. Professor Robinson is planning a display of educational methods in the Exposition state which shall embrace the work done by every school in the state, and every grade in every school. Probably so comprehensive a display was never before attempted for an exposition. The state will be organized by counties, each county being made an exhibit unit, although cities that so desire may make separate exhibits. The work will be arranged by grades, commencing with the primary and ending with the high school. This plan will enable visitors to understand the educational work of the state in the order of its development. Circulars on the subject will be sent to every school in the state. Compositions of pupils, drawings and paintings made by students, and photographs of school rooms, class rooms, and pupils will be features of the exhibit. Several schools have already arranged for exhibit space, among those being the University of Oregon, the Oregon Agricultural College and the Monmouth Normal School.
