The Russians have dispatched a third fleet to far Eastern waters. Interesting news may be expected at no very distant day from naval sources, if Russia is not bluffing.

Nine of the most eminent men in the city of New York have been appointed to investigate the city police, including such names as Elihu Root, Isaac N. Selligman and others of equal prominence.

Canada signifies her readiness to enter into reciprocal trade relations with us upon the basis of reciprocity of trade in all crops, coal, coke, ores, fish and raw material of manufactures.

We are now prepared to sell several tracts of land at prices that will startle you, especially if you are acquainted with the location. We have land all the way from \$1.50 per acre up to \$15; unimproved or improved, to suit the purchaser. Lake County Examiner. 4f

The report of special committee of the legislature appointed to investigate charges made by McMahon, of mismanagement at the State penitentiary, shows no criminality in the conduct of officials of that institution, though the statutes have not been followed.

Panama Canal affairs are now under investigation by the Hepburn Committee in the House at Washington D. C. It appears the commission has been receiving fees, for attendance upon board meetings, to which they are not supposed to be entitled.

John E. Redmond, leader of the Irish party in the British House of Commons, in his speech upon proposed amendment to the address, in reply to the speech from the throne, said: "Ireland is governed by a bureaucracy more devoid of responsibility than the bureaucracy of Russia, and armed revolt would be justified if there were any chance of success."

Land for sale. The west half of Sec. 26, tp. 39 S., R. 20 E. The land joins Frank Duke's place 5 miles south of Lakeview. This is a snap. Write The Examiner.

The special committee appointed by the California Senate to investigate charges of bribery made against four members of that body have reported the charges fully sustained by the evidence, and it is recommended that the offending Senators be expelled.

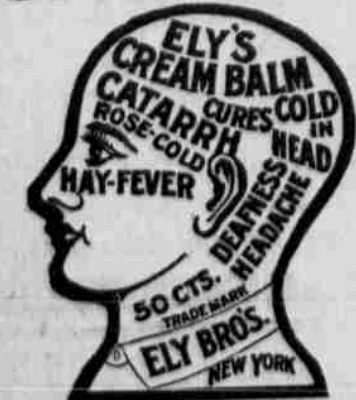

R. G. Dun & Co. have made their monthly report of Commercial conditions in the Country for Jan. 1905, which shows a decidedly better prospect for the year than was reported at same time last year. Orders for merchandise are much larger, and settlements are much more complete.

A special meeting of the Board of Supervisors was called for yesterday, at which the matter of Modoc's putting in \$3000 with the state's \$7,000 to repair the road over the Cedar Pass will be discussed. That amount of money expended would make a first-class road of it, something that has needed for a long time. Surprise Valley Record

The Examiner has for sale one of the best stock ranches in Lake county on very reasonable terms—600 acres, all fenced, and well watered. This is a great bargain and will not remain long unsold. We also have a dozen other ranches and farms to dispose of. If you have any land or property to sell, list it with the Examiner. Send in description and we will sell it for you. 384f

The Examiner has an 8-acre tract of land for sale at a bargain; the land lies in a body in the northern part of Lakeview, and is now set to clover and timothy, and yields 20 tons of hay a year, leaving a valuable pasture. The hay sells at the top price in Lakeview. The tract is a desirable one, either to retain in one piece or to cut up into lots for residences. Anyone desiring to build a home in Lakeview will do well to investigate this proposition. 26 4f

### Science Congress.

There is to be a notable gathering of scientists at Portland this summer, when the Science Congress meets. President David Starr Jordan, Gifford Pinchot of the Department of Agriculture, and a number of other distinguished scientists are to be there, whom it would be a treat to hear.

### Don't Work.

Jiu-Jitsu proves a failure when tried on the Japanese instructor in that art, with a 4th classman at West Point. Tipton, West Point's football center, tossed the Jap about at will, finally sending him over his head sprawling on the floor behind him.

The government is having difficulty in finding qualified persons who are willing to enter the naval corps of chief engineers. After general advertisement of an examination by the board in the Brooklyn Navy Yard, only five persons offered themselves as candidates for positions in this service, neither one of whom met the requirements. Insufficiency of pay is found to be hindering competent men from seeking places with the government. They are better paid by civilian employers.

Six inspectors of the United States have been ordered to Kansas to investigate the affairs of Standard oil in that State. President Roosevelt says this is the place where the government has full opportunity to deal with that monopoly, and he is determined to discover every fact of interest to the country, that justice may be established.

Judge Frazer has made a very clever decision in the contest between the Klamath Falls Irrigation Company and the Klamath Canal Company, by decreeing right of way for each of them for canals across a strip from which they were trying to exclude each other.

The legislature of Oregon has passed a memorial to Congress asking that a law be passed allowing citizens of Oregon, Washington, and California to cut, fell and remove timber from the public domain for mining and domestic purposes.

California farmers are jubilant, having had abundant rains, and from every section of the State reports are favorable for a larger yield of grain and hay than they have had for many years. Oregon horses should sell well this fall.

California has appropriated \$25,000 to be used in establishing an experimental farm, to be conducted by the University of California, the object of which is to study diseases of citrus fruits and walnuts.

The Mackay Company is to lay another cable across the Atlantic, the capacity of the one already in service having proven inadequate to perform the required service.

A wholesale fish dealers' combine in San Francisco has, by getting control of the fish grounds, arbitrarily advanced the price of salmon from 5 cents per lb to 25 cents.
