LAKEVIEW MERCANTILE CO.

EVERY BODY KNOWS

That thousands of dollars have been sent out of this country in the last two years for goods that should have been sold by the local Merchants

WHY?

Because, high prices were necessary to a system which granted a year's time for the payment of book accounts.

THE LAKEVIEW MERCANTILE CO.,

Has decided that it is to the best interests of both merchant and customer to sell on shorter time and for less profit. We will not sell, **BELOW COST**, but, will sell at as small a profit as is consistent with a legitimate business.

WE DO NOT GIVE TRADE COUPONS, BUT GIVE THE VALUE OF PURCHASE IN MERCHANDISE.

GOOD HORSE SENSE

Dictates to every man, woman and child that when a merchant offers goods at, or below cost, that he is either going broke or else is going to make up his profit on some other article he sells you.

Come and see our goods. Come and get our prices.
