They will comprise a number for Portland, for Seattle, for Southern California, for San Francisco and the souvenir number of the Lewis and Clark Exposition, also a special automobile number. The articles of Dr. Wolf von Schierbrand, six in number on "The Coming Supremacy of the Pacific" are also promised, and the plans contemplated by the publishers will, without question, place The Pacific Monthly far in advance, not only of present competitors, but also into the unreachable class of periodical literature on the Pacific Coast. The Pacific Monthly is sold to regular subscribers at the extremely low price of \$1 a year. We have made an arrangement with the publishers by which we are able to offer it in connection with The Lake County Examiner, (both Publications), to new subscribers, and old ones who pay up any back subscription they may owe and a year in advance, for the very low price of \$2.50 a year. Good Outlook for Beef.

Mr. D. P. Browne of Ft. Bidwell passed through on his return from Chicago, where he has taken, in company with several other cattle men from western California and Nevada, several hundred head of choice beef.

The action of Mr. Browne and his associates in this matter, has done much to benefit the beef market of northern California and Nevada, inasmuch as they have taken all the surplus beef to the eastern market. All the winter fed cattle in Nevada and northern California are sold, and the outlook for good prices this fall is more favorable since those cattle were taken from our western market.

Mr. Browne informs us that the market is very good in the east, and feeders are commanding good prices; that there is no surplus of cattle and the outlook is very good.—Alturas New Era.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuff and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size, Ely Brothers, 50 Warren St., N.Y. The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.
