## Tired of Reserve.

From appearances residents of Modoc county are tired of the forest reserve created in their county about a year ago, depriving stockmen of summer range for their stock, except favored few, and they for only a limited number, and a movement is on foot to petition congress to abolish the reserve in the county upon statements various which have

The Goldfield Herald has the following to say of the reserve system.

"A great many of the people have no doubt never figured on the results that produced by the forest reserve in this county and in fact it is a mighty hard problem to solve. Modoc county is credited up as one of the largest counties in the state, containing over 4,000 square miles, or over half of it is covered by forest reserves. GREAT FAMILY MEDICINE

Thedford's Black-Draught comes nearer regulating the entire system and keeping it healthy for health than any other medicine made. It is always ready in any emergency to treat ailments that are frequent in any family, such as indigestion, biliousness, colds, diarrhœa, and stomach aches.

Thedford's Black-Draught is the standard, never-failing remedy for stomach, bowel, liver and kidney troubles. It is a cure for the domestic ills which so frequently summon the doctor. It is as good for children as it is for grown persons. A dose of this medicine every day will soon cure the most obstinate case of dyspepsia or constipation, and when taken as directed brings quick relief.

DANVILLE, ILL., Dec. 25, 1903.

Thedford's Black-Draught has been our family doctor for five years and we want no other. When any of us feel badly we take a dose and are all right in twelve hours. We have spent less of money for doctor bills, but get along just as well with Black-Draught. IRA H. HAZEN.

Ask your dealer for a package of Thedford's Black-Draught and if he does not keep it send 25c. to The Chattanooga Medicine Co., Chattanooga, Tenn. and a package will be mailed to you.
