My hair nearly all came out. I then tried Ayer's Hair Vigor and only one bottle stopped the falling. New hair came in real thick and just a little curly. Mrs. L. M. SMITH, Westport, N. Y.

Wants Better Roads.

We have always offered the opportunity for our readers to express themselves through our columns upon any subject and have asked for their opinion on some.

Last week—too late for publication—Mr. C. S. Benefiel handed us a few words on what he believes to be the urgent need of our people, and the purpose to which he would put any surplus money that might be accumulated from taxation.

Following is Mr. Benefiel's words: "Speaking of Lake County's prospective surplus, and the best use to which it could be put—I say, let us have better roads." It is a fact, that anyone living in this part of the county will corroborate, that the roads in either direction from Paisley are not near as good as they were five years ago, and are getting in worse condition each year.

Shortly before our lamented Senator, Thomas Tongue, died he made a plea in the Senate for better roads which I wish every voter in the U. S. or the State of Oregon would read.

Sincerely Yours,
C. S. BENEFIEL.

Several Teams May be Here.

It is believed now that ball teams from Klamath Falls, Bend, Silver Lake, Paisley, Bidwell, Pine Creek and Cedarville will be in Lakeview to play for the \$500 purse. If all these teams come there will be other purses arranged for and some match games will come off.

This is about the best chance that has ever been open for some good ball team to rake in a few hundred easy dollars and have a royal good time. The tournament to be held here Fourth of July week is the biggest ever had in this part of the country, and will attract a large crowd.

Lakeview guarantees to put up a strictly home team against anything that wants to come. We have a good team, nevertheless they were snowed under at Pine Creek last Sunday.
