### Says District Attorney Will Move

H. W. Keesee has resigned as deputy prosecuting attorney and the revocation of appointment was filed with the county clerk yesterday. The reason given by Mr. Keesee for his resignation was that his duties as deputy prosecutor interfered with his private practice to such an extent it resulted in material loss to him. Criminal cases are getting quite numerous in this county and as the salary is not over \$25 a month, there is more money to be made in defending these cases. In a letter to Attorney Keesee, District Attorney Moore, of Lakeview, stated that he expected to be in Klamath Falls in a short time and it is believed that he will move here and appoint a deputy in Lakeview.—Klamath Falls Republican.

### Died.

Warner Lake, Ore., May 20, 1905, Olevia Stoumbaugh, the little girl that was seriously burned on the last day of school, May 10, died May 17 at 7 o'clock in the morning.

She was 10 years and 4 days old at the time of her death.

On the last day of school all the little children were out on the hill playing when one of the little boys started a fire. The little girl's dress caught on fire and she ran to the school house, where the teacher and pupils smothered the flames. She was burned from her waist down to her feet. She was taken to her home and everything was done that could be done for the little sufferer.

She suffered continuously until relieved by the mysterious hand of death, which relieves all sufferers.

All the members of the family were present at her bedside.

She leaves to mourn their loss, a father, mother, brother, three sisters and an uncle.

The remains of the precious little one were laid to rest in the Ft. Bidwell cemetery May 18 at 11 o'clock.

The many friends of the family sympathize with them in their bereavement.

A precious one from us has gone,  
A voice we loved is stilled;  
A place is vacant in our home,  
Which never can be filled.  
A little face from us is hid,  
Which we will see no more,  
Until we, like her, have crossed the tide  
And stand on that golden shore.  
In the quiet Ft. Bidwell graveyard,  
There is now a new made mound;  
And the form that was so cherished,  
Has been laid beneath the ground.  
But you ponder in the portals,  
That are shining very fair,  
Little Olevia now is sheltered,  
By the savior's loving care.

A FRIEND.

Keep the good work going.

The members of the committee are Harry Bailey, Dr. Daly, W. H. Shirk, V. L. Snelling and H. R. Dunlap.
