### A Chance for Lakeview.

E. A. McDaniels, and T. J. Borden traveling for the Portland Evening Telegram, of whom The Examiner made mention last week as having just arrived when we went to press, proposed to give Lakeview a creditable page write-up, illustrating with photographs. All they asked of our citizens is for at least 30 to subscribe for the paper at the regular price.

This is an opportunity Lakeview should not overlook. It costs nothing, for the Telegram is well worth the money asked for it. There are but a few Telegrams come to Lakeview now, and if our people would once get to reading it they would realize its worth.

The gentlemen are nice appearing and are certainly capable of performing the work they propose in a manner that will insure returns, and in an honest and enlightening way that our people could not help being proud of.

County Clerk Zopher Agee acted as best man while Miss Grace Hall, sister of the bride acted as maid of honor. The bride is a charming and accomplished young lady. The groom is one of Douglas county's leading physicians. Dr. Seely and wife will reside in Roseburg.
