

## General Information

SOME THINGS TO  
INTEREST  
ALL OUR READERS

John Calderwood, an old pioneer citizen of Bidwell, has been very ill for the past week, with little hopes for his recovery.

Every man owes it to himself and his family to master a trade or profession. Read the display advertisement of the six Morse Schools of Telegraphy, in this issue and learn how easily a young man or lady may learn telegraphy and be assured a position. aug 3-4m

The Alturas New Era reports the wedding at that place on Sunday, July 23, of Miss Bessie Fitzgerald of Alturas, to Mr. Fred Bush of Cedarville. The bride is the youngest daughter of the late N. Fitzgerald, and a very popular young lady, and the groom is the cashier of the Cedarville bank.

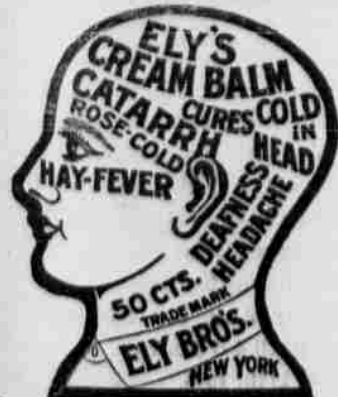

Alturas papers announce the resignation of Auditor E. G. Scammon of Modoc county. Mr. Scammon has made a good record for himself during the several years he has held a county office, and he has accepted a more lucrative position with Mr. T. B. Walker, the timber magnate, and will make his headquarters in Minneapolis.

Miss Maud Fine, of Lake county, Oregon, came to Alturas last week, and became a member of Fred Moore's troupe of Comedians. She took quite a prominent part in "Camille" last Wednesday evening, and will also appear in the other plays in their repertoire, under the stage name of Gertrude Huntington. Miss Fine is a native of Lake county, and possesses rare dramatic talent.—New Era.

The Alturas Plaindealer announces that it will come out this week in a new dress. The Plaindealer has formerly used a patent outside, but will now print all its paper at home. The paper will remain the same size but the columns will be made wider, and it will be 6 col's instead of 7. The Plaindealer, we understand, contemplated this change before the recent fire that destroyed its plant, and has now got on its feet again to carry out its plans.

The agents of the Conservative Life of Los Angeles, who have been in this county for the past several months, had very little difficulty in adjusting the slander which was thrust upon them by the Farmer and Miner, a paper published at Ft. Jones, Calif. The business men of this county have found these men to be gentlemen, and an investigation has shown that the bonds they are selling, are strictly all right. They have sold bonds in this county already to the extent of \$300,000, and the purchasers are of the most conservative business men of the county. Although it seems to be in their power to make the publisher of that sheet "smoke," they do not seem disposed to do any one an injury.—New Era.
