### Ben Her Double.

"I know no one, for four weeks, when I was sick with typhoid and kidney trouble," writes Mrs. Annie Hunter, of Pittsburg, Pa., "and when I got better, although I had one of the best doctors I could get, I was bent double, and had to rest my hands on my knees when I walked. From this terrible affliction I was rescued by Electric Bitters, which restored my health and strength, and now I can walk as straight as ever. They are simply wonderful." ### The Diamond Cure.

The latest news from Paris, is, that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee, of Van-leer, Tenn. "I had a cough, for fourteen years. Nothing helped me, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave instant relief, and effected a permanent cure." Unequaled quick cure, for Throat and Lung Troubles. At Lee Beall's drug store; price 50c and \$1.00, guaranteed. Trial bottle free.

Mr. and Mrs. Eustice Mnyfield, of Cedarville, says the Cedarville Record, came very near dying from some unknown cause recently at their home. They had made some ice cream and ate of it, and shortly after eating it became violently ill. The timely arrival of neighbors, who called to spend the evening probably saved their lives, as a doctor was hastily summoned, who worked with the sufferers all night and pronounced them out of danger the next morning. Their illness cannot be accounted for, unless the cream was sour before it was put into the freezer. One should be very careful to not eat ice cream that has been melted and refroze. It is said to be very dangerous.

### An Editor's Opinion of the Royal Gorge.

Edyth Tozier Weathered, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBride, 124 Third street Portland, Oregon, for booklets picturing Colorado's famous scenery, and any other information you may desire. 3-1f
