An Editor's Opinion of the Royal Gorge.

Edyth Tozier Weathered, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBride, 124 Third street, Portland, Oregon, for booklets picturing Colorado's famous scenery, and any other information you may desire. 3-11

Our Offer.

With the June number will begin The Pacific Monthly's series of special editions for the year 1905. They will comprise a number for Portland, for Seattle, for Southern California, for San Francisco and the souvenir number of the Lewis and Clark Exposition, also a special automobile number. The articles of Dr. Wolf von Schlerbrand, six in number on "The Coming Supremacy of the Pacific" are also promised, and the plans contemplated by the publishers will, without question, place The Pacific Monthly far in advance, not only of present competitors, but also into the unreachable class of periodical literature on the Pacific Coast. The Pacific Monthly is sold to regular subscribers at the extremely low price of \$1 a year. We have made an arrangement with the publishers by which we are able to offer it in connection with The Lake County Examiner, (both Publications), to new subscribers, and old ones who pay up any back subscription they may owe and a year in advance, for the very low price of \$2.50 a year.
