Sheep Shooting in Wheeler.

Range war in Wheeler county about 12 miles from the town of Mitchell asserted itself again a few days ago. Butler Bros., sheep owners, who were ranging their sheep on ground claimed by cattlemen, were marked for revenge by a band of desperadoes who visited the sheep camp, and after binding the herder, shot between 100 and 200 sheep. The tactics were about the same as in former sheep killings in Eastern Oregon, and it is believed the result will be the same.

Hi Manning did go to Reno, and was married there. He left here on the stage last Thursday morning, and returned with his wife Tuesday evening of this week. Mr. and Mrs. Manning are temporarily domiciled at the residence of Mrs. Manning's father, Chas. Tonningsen. They are receiving the good wishes of many friends. The Examiner joins other friends of the happy couple in wishing them a long and happy life.

Most of the cattlemen are very busy gathering their beef. Buyers have commenced to arrive here.

Why is it that Ayer's Hair Vigor does so many remarkable things? Because it is a hair food. It feeds the hair, puts new life into it. The hair

cannot keep new growth. And gradually all the dark rich color of early life comes back to gray hair.
