### Praises Our People.

Rev. Snyder's farewell sermon last Sunday evening was an able address, and clearly proved the strength of the man. He spoke several minutes in glowing terms of Lakeview and its people. He did not confine his plaudits to Lakeview, however, but grouped the people on this charge, with few exceptions, in one body of good people.

Below we publish the report of the work during the past year as read from the pulpit last Sunday evening by the pastor. The report is one that our people should be proud to make known to other localities:
