Our Offer.

With the June number will begin The Pacific Monthly's series of special editions for the year 1905. They will comprise a number for Portland, for Seattle, for Southern California, for San Francisco and the souvenir number of the Lewis and Clark Expedition, also a special automobile number. The articles of Dr. Wolf von Schierbrand, six in number on "The Coming Supremacy of the Pacific" are also promised, and the plans contemplated by the publishers will, without question, place The Pacific Monthly far in advance, not only of present competitors, but also into the unreachable class of periodical literature on the Pacific Coast. The Pacific Monthly is sold to regular subscribers at the extremely low price of \$1 a year. We have made an arrangement with the publishers by which we are able to offer it in connection with The Lake County Examiner, (both Publications), to new subscribers, and old ones who pay up any back subscription they may owe and a year in advance, for the very low price of \$2.50 a year. Popular and Picturesque.

The only thing necessary to make the Denver and Rio Grande the most popular, as it has ever been known the most pleasant and most picturesque way to cross the continent, has come about. This is the establishment of through sleeping car service.

In connection with the O. R. & N. a through Pullman Standard Sleeper is now run from Portland to Denver, leaving Portland at 8.15 p. m., arriving at Salt Lake at 8.40 a. m. the second morning, leaving Salt Lake at 3.50 p. m. and arriving at Denver 4.20 p. m. the following day. This schedule gives passengers seven hours stop-over in Salt Lake, affording an opportunity to visit the Mormon Capital as well as a day light ride through the grandest scenery in the world. For reservation in this car and for illustrated booklets picturing the scenery contiguous to the Denver & Rio Grande, proving it to be the "Scenic Line of the World," write to W. C. McBride, General Agent, 124 Third street, Portland.

An Editor's Opinion of the Royal Gorge.

Edyth Tozier Weathered, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBride, 124 Third street Portland, Oregon, for booklets picturing Colorado's famous scenery, and any other information you may desire.

\$2,000 Reward.
