LAKEVIEW, OREGON, OCT. 26, 1905.

Coyotes are becoming quite numerous over in the Willamette valley and their predatory habits are felt by the farmers. It will be remembered that a few years ago the valley legislator was the strongest opponent of state bounty laws. The coyote is a cunning little animal, and knows his friend.

The Burns Times-Herald says that that paper can "state with authority that the big land holdings of the French-Glenn Livestock Co. has passed from the ownership of the company into other hands, but that it is not at liberty to say who the new owners are or what the future policy will be.

President Roosevelt says that his daughter Alice shall not enter the United States with her \$100,000 worth of presents without paying the 40 per cent duty on jewels that is imposed upon any other person bringing jewels into the United States. Her presents will be very costly to her after all.

The Alturas Plaindealer came to us this week in 16th sheet form. We hope Mr. Thompson will soon be on his feet again with a new plant and furnish us with the Plaindealer as good as ever. We learn that he ordered a new plant as soon as the telegraph wires were up.

Merrill, the thriving little town of Klamath county is to have a newspaper. Al Barnes, formerly an employee of the Alturas New Era, is to be the man at the helm.

President Roosevelt is on a tour of the Southern states. Everywhere he goes he is hailed as the greatest man on earth and departs as a no less personage.

The difference between Roosevelt and Bryan's railroad policy, is the difference between conservatism and socialism.

The Burns Times-Herald came to our desk this week in larger form. The Times-Herald is one of our best exchanges and we are glad to note its prosperity.

Popular and Picturesque.

The only thing necessary to make the Denver and Rio Grande the most popular, as it has ever been known the most pleasant and most picturesque way to cross the continent, has come about. This is the establishment of through sleeping car service.

In connection with the O. R. & N. a through Pullman Standard Sleeper is now run from Portland to Denver, leaving Portland at 8:15 p. m., arriving at Salt Lake at 8:40 a. m., the second morning, leaving Salt Lake at 3:50 p. m., and arriving at Denver at 4:20 p. m., the following day. This schedule gives passengers seven hours stop-over in Salt Lake, affording an opportunity to visit the Mormon Capital as well as a day light ride through the grandest scenery in the world.

For reservation in this car and for illustrated booklets picturing the scenery contiguous to the Denver & Rio Grande, proving it to be the "Scenic Line of the World," write to W. C. McBride, General Agent, 124 Third street, Portland.

An Editor's Opinion of the Royal Gorge.

Elyth Tozier Weathered, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBride, 124 Third street Portland, Oregon, for booklets picturing Colorado's famous scenery, and any other information you may desire. 3-11
