The Ladies' Outfitters,

Anna M. Nelson & Co., will make for you any garment for women or children, and will make it as well as it can be made. Will make it to please you in every particular. We will do the work promptly and never allow you to be disappointed with any business you may do with us. Every garment shall fit, look well on the wearing, and produce a good effect.
Good Goods, and prices not in any instance, more than we would be willing to pay if you were selling and we were buying, are the principles upon which we expect to succeed.
Our goods are as well worth the money we ask for them, as goods you buy from any catalogue house in San Francisco are. We are ready to prove this, and anxious to meet you for this purpose. We were a month buying our stock. We searched the city to get exactly what we wanted and would take nothing else. The price had to be right, and we got the full benefit of cash payments. We can, and will treat you as well as you can be treated in buying ANY WHERE.

Guard of Thanks.

We wish to heartily thank the many kind friends and neighbors who rendered their assistance in laying our son, Willie Antone, away, and for their consoling words in time of our sorrow. It is a sad blow to a mother for her loved ones to go as Willie did, without without the chance to administer to their dying wants. And we pray that no such grief will ever befall any of you.
Kind friends, we shall never forget you. MR. AND MRS. L. MEYER.

Wm. Toney took a load of Lake City flour to Bailey & Massingill, at Lakeview today. The mill operated here by Rattcliffe & Wilson produced a splendid grade of flour and finds a ready market both here and abroad.—New Era.

We will deliver you a load of wood of any length, any day, at any place in Lakeview you desire it.
OUR price is 25 per cord, with discount of ten per cent if ten cords or more are taken and paid for.
