The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one Hundred Dollars for any case that it fails to cure. Send for list of testimonials

Popular and Picturesque

The only thing necessary to make the Denver and Rio Grande the most popular, as it has ever been known the most pleasant and most picturesque way to cross the continent, has come about. This is the establishment of through sleeping car service.

In connection with the O. R. & N. a through Pullman Standard Sleeper is now run from Portland to Denver, leaving Portland at 8 15 p. m., arriving at Salt Lake at 8 40 a. m. the second morning, leaving Salt Lake at 3.50 p. m. and arriving at Denver 4 20 p. m. the following day This schedule gives passengers seven hours stop-over in Salt Lake, affording an opportunity to visit the Mormon Capital as well as a day light ride through the grandest scenery in the world.

For reservation in this car and for illustrated booklets picturing the scenery contiguous to the Denver & Rio Grande, proving it to be the "Scenic Line of the World," write to W. C. McBride, General Agent, 124 Third street, Portland.

An Editor's Opinion of the Royal Gorge.

Edyth Tozier Weatherred, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBride, 124 Third street Portland, Oregon, for booklets picturing Colorado's famous scenery, and any other information you may desire. 3-tf

In most cases a tonic and alterative properly compounded will afford the required help by promoting digestion, assimilation and reconstruction of tissue and reducing waste of vital nerve forces.

It must not be an alcoholic stimulant—just a vegetable tonic. Meeting these needs and conditions Dr. Pierce's Golden Medical Discovery has been in successful use these forty years and has accumulated a record of cures unequaled in the history of medicine. It is composed of non-alcoholic, glyceric extracts of Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root, and by special processes perfected by Dr. Pierce, in his own laboratory, so combined in the most exact proportions, and their medicinal properties preserved without the use of alcohol as to render it a *safe* and *effective* remedy for use in the family without consulting a doctor. Young or old can take it freely as needed, and now that its composition is published, there is no ground for prejudice against it as a patent medicine or secret medicine. It is neither.

Pierce's Pleasant Pellets

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good."

Dr. Pierce's great thousand-page Illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps.

His Career In Life Insurance and His Large Income.

Robert H. McCurdy, who testified recently before the life insurance investigating committee of the New York legislature, has made a good thing of the life insurance business, according to facts brought out in the course of this investigation. Mr. McCurdy is the son of the president of the Mutual Life Insurance company, Richard H. McCurdy, and is forty-five years of age. He graduated from college in 1881 and after six months spent in travel entered the office of Charles H. Raymond,

After a time he became a partner in the firm of Raymond & Co., with a half interest in the business. In 1886 he was sent abroad to organize the foreign business of the Mutual Life. In 1889 his total income from Raymond & Co. and from commissions on the foreign business of the Mutual amounted to $83,294. His annual receipts from the same sources increased until in 1896 his income was $127,526. Since that year Mr. McCurdy's yearly revenues have been somewhat less than the above figure, but have usually been over $100,000. He is now general manager of the company. His father, as its president, receives the enormous sum of $150,000 per year.
