Read the new advertisements in The Examiner this week. A. L. Thornton new proprietor of the Beall drug store, has a new one and the new proprietors of the Edel Hotel, at Pine Creek, Mrs. Gallagher and Son, have put in a new adv. These people who know the value of advertising have learned the secret of the success of the modern business man.

Benny Beall's spotted pup was locked up in Thornton's drug store last Saturday night; unintentionally of course, but the dog thought it was a put-up job, and while all else was still in slumberland his dogship was gnawing away at the linoleum and door in an effort to effect an escape. The marshal passed the place about two o'clock in the morning, and released the dog. Mr. Thornton found the next morning about 15 yards of linoleum had been chewed up.

S. Gallagher was up from Pine Creek Monday. Mr. Gallagher informed us that the company that bought the Wade-Reed gold mine had failed to make the second payment and had returned the deed to the boys. Bert Wade is on a deal with Reed now to purchase Reed's interest in the mine. He still has hopes of the mine turning out all right. Only a few days ago he panned out some dirt which showed very rich, getting 5 cents in gold from an ounce of dirt.

J. F. Snyder was in from the West Side last Saturday on business. Mr. Snyder informed us that Smith Edwards, who went to Walla Walla last summer and bought 4 acres of orchard, paying about \$2,000 for it, was not as well satisfied as he thought he would be. Mr. Snyder is a particular friend of Mr. Edwards and is considerably interested in his welfare.

Robert McElhinney and Mr. and Mrs. Kee and Jns. McElhinney left yesterday morning, the latter for Philadelphia, where he holds a position on the police force, and the others for their home in Ireland. Mrs. Kee is a sister of the two McElhinney men. They had not met for 30 years till they met in Lakeview a week ago, having come here to settle with the estate of their deceased brother, John McElhinney. Mr. and Mrs. Kee may return here in the spring. They are all fine people and made life friends during their stay in Lakeview.

The Portland Board of Trade Journal for November published a write-up of Lake county from the pen of J. W. Maxwell, secretary of the Lake County Development League. The article gave the number of acres of land in the county, cultivated and uncultivated, number of sheep, cattle and horses, amount of wool exported, as given in the report of the committee appointed by the League to prepare these statistics, which report was published in The Examiner a few weeks ago. The article is a very concise compilation of some of the main features of the county and a careful study of what the figures mean to a sparsely settled county like Lake, will put the investor to thinking.

**An Editor's Opinion of the Royal Gorge.**

Edyth Tozier Weathered, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice. If you contemplate a trip East, write W. C. McBride, 124 Third Street Portland, Oregon, for booklets picturing Colorado's famous scenery, and any other information you may desire."
