"She had screamed when he struck her, and that brought old Theresa down from the room above. There was a bottle of wine on the sideboard, and I opened it and poured a little between Mary's lips, for she was half dead with shock. Then I took a drop myself. Theresa was as cool as ice, and it was her plot as much as mine. We must make it appear that burglars (viorney General, had done the thing. Then I lashed her in her chair and frayed out the end of the rope to make it look natural, else they would wonder how in the world a burglar could have got up there to cut it.
