In Memoriam.

Whereas, It has pleased a mysterious providence in its inscrutable wisdom to remove from our midst and from the scenes and associations of a useful and honorable career our friend and sister, Anna P. Snyder; therefore be it Resolved, That in the death of our sister, Lakeshore Lodge No. 77, Degree of Honor, has suffered the loss of an honorable member, one who in all the relations of life, whether as wife, mother or friend, merited and received in the highest degree the esteem and confidence of all who knew her.

That, in her we recognize the true wife and mother, who as such left no undischarged duties; who, dying, bequeathed to her family and friends a reputation and a member without stain or blemish.

That, feeling how vain are mere words to soften or assuage a grief so overwhelming, we yet tender to the family of our sister our most profound and sincere sympathy for their irreparable loss and commend them to Him, whose promise will not fail.

Resolved, That a copy of these resolutions be sent to the bereaved family, that they be spread upon the records of the Lodge and sent to the Examiner for publication.

Good Goods, and prices not in any instance, more than we would be willing to pay if you were selling and we were buying, are the principles upon which we expect to succeed.

Our goods are as well worth the money we ask for them, as goods you buy from any catalogue house in San Francisco are. We are ready to prove this, and anxious to meet you for this purpose.

We were a month buying our stock. We searched the city to get exactly what we wanted and would take nothing else. The price had to be right, and we got the full benefit of cash payments. We can, and will treat you as well as you can be treated in buying ANY WHERE, if
