Frightfully Burned.

Chas. W. Moore, a machinist, of Ford City, Pa., had his hand frightfully burned in an electrical furnace. He applied Bucklen's Arnica Salve with the usual result: "a quick and perfect cure." Greatest healer on earth for Burns, Wounds, Sores, Eczema and Piles. 25c at Lee Beall Druggist.

The Wool Market.

Woolmen are divided in their opinions as to the prospects for prices this year. While growers hope that the advance of the past year or two will be continued, buyers declare that the limit has been reached. Contracting for the coming season's clip is therefore at a standstill in Oregon and other parts of the West. Wool dealers are not averse to buying the clip ahead, but the high prices asked by growers have kept the traders from operating. The latter see no profit on the present basis and consequently feel that they might as well invest their money in other quarters as to carry the wool. The majority of them have decided to wait until either the growers modify their prices or until shearing time. That the farmers are not alone in their ideas as to value is shown by the fact that many Eastern speculators in fleeces are also holding their wool at prices that merchants will not entertain. Oregon wools are quiet in the Boston market with practically no demand.—Oregonian.

Homeseekers Coming.

That the movement of settlers into Oregon will be the heaviest during the coming spring that the state has ever known in a season is the belief of passenger officials of the roads entering Portland and handling Coast traffic. They are a unit in declaring that, as indicated by inquiries from all parts of the country and particularly the Middle West, the exodus to Oregon and the Northwest, beginning February 15, by those who intend to make the Pacific slope their permanent home, will be unparalleled.

Never before has Oregon been so well advertised in all parts of the East as it now is. The Exposition helped this condition no little and the large amount of advertising spread about by the railroads to get the Fair business had a lasting effect that will bring many westward when the colonists rates become effective the middle of next month.—Oregonian.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying inhalants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.
The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Popular and Picturesque.

The only thing necessary to make the Denver and Rio Grande the most popular, as it has ever been known the most pleasant and most picturesque way to cross the continent, has come about. This is the establishment of through sleeping car service.

R. & N. a through Pullman Standard Sleeper is now run from Portland to Denver, leaving Portland at 8.15 p. m., arriving at Salt Lake at 8.40 a. m., the second morning, leaving Salt Lake at 3.50 p. m., and arriving at Denver 4.20 p. m. the following day. This schedule gives passengers seven hours stop-over in Salt Lake, affording an opportunity to visit the Mormon Capital as well as a day light ride through the grandest scenery in the world.
