There is rivalry among the livestock of the farmers of Yonna valley. A short time ago farmer Lee had a sow that dropped fifteen pigs. William Wight has one that went his two better and dropped seventeen.—Yonna correspondent to Republican. (Well, wasn't it just as easy to drop 17 as 15?)

Dan Malloy moved from the Blair residence on Water street to his own residence. "Hippie" the well known figure in the stock range, is dead. She was first noticed in the range in 1868 when Bull Bros. moved their horses to Montana she had her leg broken in the hip and was left near where the Stukel bridge is now. Since that time she has been known as "Hippie" by all Buccaroos on the range. While 38 years old at the time of her death she bore a colt only a few years ago. A county where horses live to be that age is a pretty good place to be in the stock business.—Merrill Record.
