Equal to any Emergency.
Not since the reorganization of the Army in 1902 has it been called on to face an emergency of any sort. The disaster at San Francisco however, has proved an emergency of the first magnitude and it is a satisfaction to be able to report that the army has met it without apparent effort. The immensity of the loss at San Francisco by fire and earthquake has dwarfed everything else in the news-line and the whole attention of most of the Departments has been given to sending and receiving news, hurrying forward relief and authorizing the officers on the spot to make all sorts of provisions to meet the necessities of the case.
Sec. Taft said privately that he was glad they had an officer on the ground who came to the front like Gen. Funston and did things first and asked authority afterward. Congress sunk all differences of party in passing the emergency appropriation bill giving \$1,000,000 to be immediately available for the relief work. This bill was passed in record time and sent to the President, receiving his signature all within the space of six hours.
The cost of the disaster to the government will be enormous. The destruction in military and naval stores in and around San Francisco alone will be \$2,500,000. In addition to that the damage to buildings and equipment must be counted, and there are \$7,000,000 worth of government buildings within the area of the disturbance. The relief work including the appropriation from congress will also amount into the millions.
The Government has decided that there should be a representative of administration on the spot and Secretary Metcalf has accordingly been selected and started for California on Friday night. Secretary Metcalf's home is in Oakland and while he is accompanied in Washington by Mrs. Metcalf, he has a son and a sister in the stricken city from whom he has received no news since the disaster. The Secretary has born up gamely under the personal distress that the news has caused him and although he sent private messages and did all he could on the side to get track of his boy he gave his first attention to the work of relief and let family matters come after.
Secretary Metcalf was preceded west a few hours by Representative Julius Kahn of San Francisco who was

suffering peculiar tortures from the news. Less than 48 hours before the shock, Mr. Kahn had received a telegram from San Francisco saying, "A father and son doing well." Mrs. Kahn had given birth to a boy just before the disaster and from that time the father has been able to hear nothing of either of them.
The Secretary of the Treasury expressed himself as immensely pleased over the gallant fight that the employees had successfully made to save the Mint, practically the only building left standing in the business district. This has saved to the government about \$300,000,000 of coin and bullion intact and there has been transferred to the sub treasury at San Francisco an additional \$10,000,000 to meet immediate needs.
The value of the wireless telegraph service in the Navy has also been demonstrated as it was in this way that a part of the Pacific squadron was caught at sea off San Diego and rushed north to take part in the work of rescue.
Fortunate Missourians.
"When I was a druggist, at Livonia Mo.," writes T. J. Dwyer, now of Graysville, Mo., "three of my customers were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest Cough and Cold cure and Throat and Lung healer. Guaranteed by Lee Beall Druggist, 50c and \$1. Trial bottle free.

In those days of strife between two great political parties we must remember that after all we are just a band of brothers here on earth, traveling from the cradle to the grave. We live side by side, our children attend the same school and after the smoke of battle has cleared away, we will still be friends and neighbors. Let the bitter things go unsaid. At best, life is short, and we get out of it a full measure of sorrow. Let us in our little city live as one big, good-natured family.
Postmaster Robbed.
G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters, which cured me and have kept me well for 11 years." Sure cure for Biliousness, Neuralgia, Weakness and all stomach, Liver, Kidney and bladder derangements. A wonderful Tonic. At Lee Beall's Drug store, 50c.

This is just the right sized town to settle down in and enjoy life. Everything for the comfort of life can be bought here and \$10 will go as far as \$25 will in larger cities. A Valuable Agent.
The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antiseptic and antiferment. It adds greatly to the efficacy of the Black Cherry bark, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery" in subduing chronic, or lingering coughs, bronchitis, throat and lung affections, or all which these agents are recommended by standard medical authorities.
In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherry bark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will cure very severe, obstinate, chronic coughs, bronchitis and laryngeal troubles, and chronic sore throat with hoarseness. In acute coughs it is not so effective. It is in the lingering coughs, or those of long standing, even when accompanied by bleeding from lungs, that it has performed its most marvelous cures. Send for and read the little book of extracts, treating of the properties and uses of the several medicinal roots that enter into Dr. Pierce's Golden Medical Discovery and learn why this medicine has such a wide range of application in the cure of diseases. It is sent free. Address Dr. R. V. Pierce, Buffalo, N. Y. The "Discovery" contains no alcohol or harmful habit-forming drug. Ingredients all printed on each bottle wrapper in plain English.
Sick people, especially those suffering from diseases of long standing, are invited to consult Dr. Pierce by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.
Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound copy.
