LAKEVIEW, OREGON, MAY 17, 1906.

The Republican ticket put up by the people at the primary election, from the highest state office down, is one that any man may recommend. The county ticket, especially, in this county, is one that every Republican can conscientiously stand by on election day. The manner in which the ticket was put up this year places it far above the recommendation of any one man or newspaper, however, as it was the people's choice; it is not a ticket forced upon the voters by politicians and to be whitewashed for decency sake. Every one of them are good, honorable, clean men of worth and sterling character, who can well stand upon their own merits. The character of the men is well known by all their acquaintances and unquestioned by those who do not have the pleasure of knowing them personally. The manner in which they were nominated distinctly places them to the front as proper men for the offices to which they are to be elected, and every Republican should, and no doubt will, recognize in the coming election that noble principle "majority rules," which we all must hail as fair and just if our own interests are to receive justice.

The Democratic newspapers that have been subject to the oath of fealty to both Governor Chamberlain and President Roosevelt, one the Democratic governor of Oregon and the other the Republican president of the United States, and basking in the felicity of mutual allegiance to both have had a boom thrown into their mystic castles. It has been claimed by the Democratic press of the state that President Roosevelt desired the reelection of Chamberlain, but when the President was informed of the free use of his relations with Chamberlain, he denied emphatically that he ever said, or intimated such a thing, so that the "Chamberlain-Roosevelt" adherents have learned that something more than a hyphen separates the policies of the Democratic Governor and the Republican President.

Subscriptions are coming in to The Examiner very rapidly here lately, eighteen having been received last week. We attribute this run to the page write-up of the county printed in several issues of this paper a few months ago which brought us numerous requests for sample copies. We sent out several hundred samples, and now many of those who received a copy are becoming interested and seek further information from the same source. The Examiner is issuing over 1200 copies each week, which makes it the best advertising medium in Southeastern Oregon. A fact that is recognized by all advertising agencies, as evidenced by the numerous requests we receive weekly for advertising space, many of which we refuse, on account of the cheap rates. We make our own rates, and give the same rate to all advertisers.

County Attorney Mackintosh of Seattle, holds the wronging of women as a trivial offense to be punished by a term of less than two years in the penitentiary. He says that "what-ever wrong Creffield did Mitchell's sister, he paid the penalty in the penitentiary." Mr. Mackintosh's views might have been changed had the racial been allowed to live, and practise his immoral teachings in Seattle and make a victim of the prosecutor, as many people of Oregon communities were brought to shame and disgrace by the deeds of that scum of Hades.

Life is a battle. Business life a battle with competition. The most powerful weapon in business warfare is advertising. Make good choice of your weapon. See that it is well tempered and trusty in order to win success. The Examiner has been in the business for 27 years and is a sure business getter.

No matter with what vigor the Seattle authorities prosecute young Mitchell, the slayer of Creffield, he will be hailed and remembered as a hero who was a martyr to a noble cause, by the thousands of homeloving people.

The time to advertise is when you want more business.

TO THE VOTERS OF LAKE COUNTY:

Having been regularly nominated as the candidate of the Republican Party for the office of Sheriff of Lake county, I now ask the voters of this County to carefully consider whether I am worthy of their support or not. I have been a resident and taxpayer in Lake County for about 17 years and feel that I am permanently identified with its business interests.

If you shall see fit to elect me your Sheriff for the next two years, I promise you, upon my honor as a man, that I will give strict attention to the duties of the Sheriff's office and be the Sheriff of no faction, but will perform its duties without fear or favor, and give the people an honest, efficient and economical administration.

I have no enemies to punish, and no friend need to expect any favor from me inconsistent with my duty to the public.

Albert Dent,
Republican Nominee for Sheriff.

The Base Ball Tournament.

The base ball season opened in real earnest last Sunday when three of the best ball teams in the county crossed bats for honors on the Lakeview diamond. Paisley, Pine Creek and the local team were the contestants.

The first game was played in the morning between the home team and the Paisley boys. A large crowd witnessed the event at the new ball grounds in the Walters field, just west of the Watson residence. The day was fine for the players and plenty cool enough for the spectators.

Paisley went to the bat, and were a little wably on account of not having had any practise. Their first inning resulted in a 0 for them; Lakeview was glad to go to the bat, but the way Banister shot the ball over the plate made them dizzy at first, but they managed to run in three men. Five times in succession Paisley failed to tally. Lakeview made one in their second inning and were goose-egged four times in succession. Paisley made 2 in the sixth and the locals nothing. In the seventh Paisley was whitewashed and the locals made one. It was a close, hard game up to the last half of the eighth, when, with two men out, an easy sky ball was landed into Banister's hands when the catcher collided with him and the ball fell to the ground. Before the boys could collect themselves five of the locals had made home, and the 0 for Paisley in the first of the ninth left the game to Lakeview by a score of 2 to 0.

The score by innings:
Paisley 0 0 0 0 2 0 0 0 2
Lakeview 3 1 0 0 0 1 5 - 9

The line-up in the morning was:
Paisley: Banister p, Harper c, Withers 1b, Sprague 2b, Hannan 3b, Judge ss, Long rf, Mulkey cf, Beebe lf.
Lakeview: Freeburg p, Hobart c, Bigelow 1b, Storkman 2b, Boyd 3b, Carroll ss, Snider rf, Boone cf, Reynolds lf, Henry Cook, Umpire.

Afternoon game:
Paisley: Pine Creek p, Smith p, Gibbons c, Vernon 1b, Amick 2b, Cook 3b, Broili ss, I Smith rf, Mulkey cf, Stephens lf.
Lakeview: Freeburg p, Hobart c, Bigelow 1b, Storkman 2b, Boyd 3b, Carroll ss, Snider rf, Boone cf, McDonald lf, Sprague, Umpire.

The game between Lakeview and Pine Creek was a hard contest, won by the State Line team by a score of 11 to 6. Both teams played their best, and while the score gave the State Line boys an apparently easy game, they were aware that the slightest error on their part might result in defeat for them.

The first inning the state liners failed to tally, while the locals scored one, but the latter part of the game the visitors took the lead and held it to the last.

Paisley will give a tournament some time in June, the date to be set later on. It is to be hoped that Pine Creek and Lakeview can be there.

Celebrated 80th Birthday.

A real, interesting birthday party was given last Monday at the home of Mr. and Mrs. V. L. Snelling, in honor of the 80th anniversary of the birth of "Grandma" Miller, mother of Mrs. V. L. Snelling, Mrs. F. P. Lane and Mr. F. M. Miller. The affair was conducted in a good, old fashioned way, and good old grandmas were the guests. It was a day of supreme pleasure, not of bridge whist, ping-pong, polo, or anything of the kind, but the guests sat in easy rockers and with spectacles in hand, unsteady with age, chatted and chatted and chatted; old, old incidents were renewed, old pastimes and school-girl pranks were vividly brought back to memory and even some dear old-fashioned love stories were indulged in, which brought the sweet, tender smiles to the faces of these grandmas that would have put new life into the grandpas had they been near and peered into those sweet old faces with their dimmed eyes and allowed their memories to fly back a few score years.

A luncheon was served for the ladies of sandwiches, (nothin' in this world but slices of light-bread with butter spread on them with a slice of meat betwixt' like these same grandmas had fixed up many and many a time and put in the old tin bucket for pa and the boys when they were goin' to the woods,) cake and ice cream.

Those present were Mrs. Schlugel, Mrs. Bernard, Mrs. Patxon, Mrs. Jackson, Mrs. Russell, Mrs. Boydston, Mrs. Buttler, Mrs. Maxwell, Mrs. Whorton.

NO TWO MEN ARE ALIKE

There may be a hundred men in this city who have arms the same length as yours—but there is not one other man in the whole county who is the same as yourself in all other proportions.

It is simply an impossibility to get a perfect fitting suit by buying ready-to-wear clothes.

We will make a suit to your measure for \$30. You pay that much, or nearly that much for every hand-me-down suit you buy.

Custom-made clothes—store clothes—are turned out by the thousand. They are cut and sewed by machinery. That is why you have bought suits heretofore that had their look of newness before you had worn them half a day.

We will make a suit to your measure—for your exclusive wear—that will fit you because it was built for you, and no one else—for \$30. We guarantee the cloth to be an all-wool cheviot—the cloth is new and rigorous, just of the best—latest patterns—hand-padded—every seam hand-sewed with silk—lined with imported Venetian cloth.

We have selected several patterns, any of which we will make up to your measure for \$20. Unless you express some preference we will mail you a sample of a late English overline pattern. This pattern is so new that it will be sold by tailors next year as the "latest."

The background of the pattern is a deep gray, with an almost imperceptible overline of check. The color of this fabric does not show dirt easily, does not wrinkle and has taken the dye so well that the garment looks like new until it is all worn out. The wool used in weaving this garment was selected with unusual care. There is no short wool in the fabric and no shoddy. The cloth has so fine a weave that it presents a fairly hard surface, and at the same time is soft and pliable. It will not scuff up or get shaly. This cloth cannot be bought from the mill for less than \$1.50 a yard, no matter if you bought five thousand yards. We are the Pacific Coast representatives of a syndicate of the largest woolen mills in the world. That enables us to make this unprecedented offer of a suit to your measure for \$20. Send for a sample—fill it to pieces—see how long and even the wool strands are—note how well the dye has set.

Columbia Woolen Mills Co., Portland, Ore.
Please send me free, sample of late pattern English overline goods, from which you agree to make a suit to measure for \$20. Also send me, free, a pocket tape measure and blank, and instructions for taking measures. This does not obligate me to buy a suit unless I wish.
