Ashland Normal Notes.
Mr. and Mrs. Reed of Pa., both in-
terested in educational work, visited
the Normal last Wednesday afternoon.
Miss Maud Minear a pupil in the
music department left Monday for
Medford, preparatory to going back to
her old home in Indiana.
Miss Thora Smith of Medford, a
graduate of last year, having recently
closed a very successful term of
school at Talent, is visiting her sister
Miss Grace Smith.
The Enterpean club held their bi-
weekly meeting in the Chapel last Sat-
urday eve, and after a very interest-
ing and entertaining program had been
rendered, all enjoyed a good social
time.
Pres. Mulkey expects to go to Cot-
tage Grove Friday. He is looking
after educational matters.
Tuesday May day, the Chapel was
tastefully and artistically decorated
with festoons of the purple and gold,
and several beautiful May baskets
hanging from the chandeliers. The
Chapel exercises that morning were
conducted by children and teachers
of the primary department of the
training school.
After a welcome by Frank Holman
came a song, "May," by the little
folks and then the pretty May baskets
were presented to members of the
faculty by Mrs. Wickersham on behalf
of the little folks.
The interest and enthusiasm of the
little folks was almost unbounded
when at this junction came in two
of the student teachers bearing another
lot of May baskets, one of which was
presented to each of the pupils.
The children acquitted themselves
credibly and much praise is due
them for their part in this entertain-
ment.
Chapel Topics. Wednesday, Prof.
Van Scoy read an article about "Snug
Harbor" the deep sea sailors' home in
New York. Thursday Prof. Mulkey
gave an address on the Early History
of Oregon and the Chamboog con-
vention of which yesterday (May 2) was
the sixty-third anniversary.
Wednesday the boys each resolved
themselves into committees of one to
clean up and adorn the campus and
buildings the girls to clean the build-
ings and the boys the grounds, on
Friday afternoon needless to say it
will be thoroughly done because every
student takes a pride in the making
this the best year in every respect, in
the history of the school even if we
are under the Referendum hold up.

Crestfield Followed.
"Apostle" Crestfield, leader of the
Holy Roller gang that created a sensa-
tion among the conservative people
over in the valley a year or two ago,
has started on another crusade. A
dispatch from Albany to the Oregonia-
ian says:
The wrath of deserted husbands
caused Crestfield and his Holy Roller
followers to scatter from their late
rendezvous near Waldport, in Lincoln
county.
When the Crestfields went to their
camping ground on the coast, they
were immediately followed by many
of the women of Benton county, who
had been under the spell of the
"prophet," and the orgies of the Holy
Rollers were reported to have begun
again. People in Benton county be-
came aroused and heads of families
that were broken up by the teachings
and practices of Crestfield began talk-
ing ominously. Some gun play was
indulged in by irate fathers and hus-
bands, who followed Crestfield to Wal-
dport and Crestfield found things too hot
for him.
By some unaccountable power,
Crestfield holds a terrible influence
over his followers. In the last gather-
ing of the Holy Roller clan were
women who left pleasant homes and
infant children to the care of straugh-
lers. Men have become desperate in
their indignation, and those who
were seeking Crestfield last evening
were terribly in earnest. Reports
have reached Albany of one attempt
by a wronged husband to kill the
apostle at Waldport, whither the apos-
tle had been followed.
The Oregoniaian says editorially of
Crestfield:
"Crestfield, the Holy Roller, is ac-
cumulating another stock of lunatics
who sooner or later will have to be
taken care of by the state. The cap-
ture and care of his misguided follow-
ers cost the state several thousand dol-
lars two years ago, and, from the start
he is making it is not improbable that
there will be another big bill of ex-
pense to foot in the near future. The
husbands or brothers of these misguid-
ed women who run after this fakir
seem to have something lacking in
their make-up, or the Holy Roller
would long ere this have been given a
treatment which would have preven-
ted him from carrying out a portion
of the religious rite which he is ac-
cused of practicing on his victims."

Fortunate Missourians.
"When I was a druggist, at Livonia
Mo.," writes T. J. Dwyer, now of
Graysville, Mo., "three of my custo-
mers were permanently cured of
consumption by Dr. King's New
Discovery, and are well and strong
today. One was trying to sell his
property and move to Arizona, but
after using New Discovery a short
time he found it unnecessary to do so.
I regard Dr. King's New Discovery as
the most wonderful medicine in exist-
ence." Surest Cough and Cold cure

anteed by Lee Beall Druggist. 50c

A movement is now on foot to create
another legal holiday in Oregon. May
2, is to be the lucky day. On May 2,
1843, provisional government was es-
tablished in what was originally the
Oregon Country. Patriots honor the
day of the establishment of govern-
ment on the Pacific, and propose to
make the anniversary a legal holiday.
The trouble is, there are so many legal
holidays now that business is consid-
erably hampered by them, and the
people who really need the rest these
holidays provide seldom get the benefit,
as they are too busy to take a day
off and their employment is such that
it would suffer were all the holidays
observed. Everybody should be and is
patriotic, but it is not always best to
impose too many holidays.

Postmaster Robbed.
G. W. Fouts, Postmaster at Riv-
erton, Ia., nearly lost his life and was
robbed of all comfort, according to
his letter which says: "For 20 years
I had chronic liver complaint, which
led to such a severe case of jaundice
that even my finger nails turned yel-
low; when my doctor prescribed
Electric Bitters, which cured me and
have kept me well for 11 years."

Treating Wrong Disease.
Many times women call on their family
physicians suffering as they imagine,
one from dyspepsia, another from heart
disease, another from liver or kidney
disease, and yet from nervous exhaustion
or prostration, a notary with pain here and
there, and in this way they are present-
ing to their physicians and their own going
and indifferent, or over-zealous doctor, sepa-
rate and distinct diseases, for which he,
assuming them to be such, prescribes his
pills and potions. In reality, they are all
only symptoms caused by some uterine
disease. The physician, ignorant of the
cause of suffering, encourages this prac-
tice until large bills are made. The suf-
fering patient gets no better, but probably
worse, by reason of the delay, wrong
treatment and consequent complications.
A proper medicine like Dr. Pierce's
Favorite Prescription, directed to the cause
would have entirely removed the disease,
thereby dispelling all those distressing
symptoms, and instituting comfort in-
stead of prolonged misery. It has been
well said, that "a disease known is half
cured."
Dr. Pierce's Favorite Prescription is a
scientific medicine, carefully devised by
an experienced and skillful physician,
and adapted to woman's delicate system.
It is made of native medicinal roots and
is perfectly harmless in its effects in any
condition of the system.
As a powerful invigorating tonic "Fav-
orite Prescription" imparts strength to
the whole system and to the organs dis-
tinctly feminine in particular. For over-
worked, "worn-out," "run-down," debili-
tated teachers, milliners, dressmakers,
seamstresses, "shop girls," house-keepers,
nursing mothers, and feeble women gen-
erally, Dr. Pierce's Favorite Prescription
is the greatest earthly boon, being un-
equalled as an appetizing cordial and re-
storative tonic.
