M. Sanders was in town several days during the past week.

Mrs. Rinehart and Clarence accompanied Sheriff Rinehart on a trip over the Willamette valley.

Neil Woodward was down from Paisley last week after a load of freight for the Paisley Mercantile Co.

M. E. Musgrave and Wm. Dykeman were deputized to help convey Wm. Vinyard and E. E. Wert to the Penitentiary.

W. K. McCormack is a frequent visitor in our town these days. He is ranging his sheep in the north end of this valley.

Several young men arrived here a few days ago from Rogne River valley hunting employment. Some of them found jobs at the Canas sawmill.

R. D. Maplesden returned from the Paisley country last Sunday, and left for Surprise valley Tuesday in the interests of the Oregon Nursery Co.

We have not heard of a charge of want of qualification being urged against any nominee of the Republican party, for office in Lake county.

We received a letter from A. Y. Bench a few days ago, which stated that he was contemplating paying Lakeview a short visit in the near future.

Wm. Holder, the Chewaucan farmer, was down to town last Sunday. Mr. Holder is surveying the route for the Farmers' Mutual Telephone Co. from the Moss ranch to Lakeview.

Albert Dent reports a very encouraging outlook throughout the county for his election. He feels confident that the voters he has talked to were sincere in their determination to give him a big majority.

Wm. Bradford picked up a piece of melted silver on the streets of San Francisco after the fire, which he intends to have made into a scarf pin, as a souvenir of the greatest modern American conflagration.

Miss Hall received a letter from her sister in Dakota conveying to her the sad news of her sister's serious illness, and the necessity of a severe operation which the hospital doctors feared she would not survive.

Mrs. F. M. Miller has received from Mrs. Cobb of San Francisco, a couple of souvenirs of the great conflagration. One is a small China sauce dish with one side burned and broken off and the other is a spoon from the Mark Hopkins Institute. Mrs. Miller values the souvenirs very highly.

The people of Lakeview should give the Alturus Dramatic club a rousing welcome and a good audience tonight. The play "The Flowing Bowl" is spoken of very highly where this company of amateurs have presented it, and our people should show the glad hand to our neighbors, who have always treated us so cordially and liberally whenever opportunity presented.

Quite a number of sheep shearers are here ready to begin removing the fleeces of the Lake county sheep. Shearing will commence as soon as the weather clears up. The feed is said to be getting fine on the range around the shearing corrals, which will insure good results from shearing. A great deal more wool can be gotten off a full sheep than from a lank one.

G. B. Wardwell and wife returned from Pine Creek last week and went on to their home at Silver Lake Sunday. Mr. Wardwell was admitted to practise law before the land office while in Lakeview and he expects to carry on a general real estate and land attorney business. He has been in the land business for twelve years and has so familiarized himself with land matters that he is thoroughly competent to attend to such matters and is in close touch with all land transactions which peculiarly fits him for the real estate business.

TO THE VOTERS OF LAKE COUNTY:

Again I am the nominee of the Republican Party of Lake County for the office of County Clerk, and take this means of informing the voters of Lake county that I desire their support at the polls on June the 4th.

If I am elected County Clerk I promise to the people of this County strict attention to the duties of that office, and shall discharge the same with impartiality.

I WILL NEVER PERMIT AN INSTRUMENT FILED WITH ME FOR RECORD TO LEAVE THE OFFICE UNTIL THE RECORD THEREOF HAS BEEN VERIFIED BY CAREFUL COMPARISON.

I promise the taxpayers strictest economy, and full and faithful discharge of official duties.

Republican Nominee for County Clerk.

We have not heard a syllable of untruthfulness or unreliability against any Republican nominee for office in Lake county.

In these days when the spirit of a greater Oregon is in the air the State can ill afford to assume the handicap of woman suffrage. Most people think that there is no danger of its passing, but when it is considered that six years ago it only failed by a scant 2000 votes in the entire State, and that at that time the woman suffragists had no money, while today they have a campaign fund of more than \$10,000 and have 12 speakers imported from other states campaigning through Oregon, the danger will become apparent.

So serious does the danger appear to be to the business men of Portland that more than 200 of them recently published a protest against woman suffrage over their own signatures. The list as published contained the name of practically every commercial interest, manufacturing and industrial, contained in the State of Oregon. The men who signed this protest represent all walks of life and all political parties. They are not politicians in any sense of the word. They are certainly typical of the brains of the State, and a protest from them is certainly worth a careful consideration of every citizen. Following is the language of the protest as published:

"We, the undersigned, believe that it would be injurious to the general welfare and development of Oregon and therefore advise to adopt woman suffrage at this time. We believe further that a large majority of the woman of the State do not want it. We take this means of recording our opposition to the proposed amendment to be voted upon June 4, 1906."
