Portland trade is greatly hampered by the congestion in rail and sea traffic, resulting from the tiemp in San Francisco and the strikes.

The strike situation in San Francisco is assuming alarming proportions. Mayor Schmidt has intervened in behalf of settlement, but no compromise has as yet been effected.

Workmen finished the Farmers' Mutual Telephone line to the Moss ranch last week, where connections was made with Paisley, and now the new "Hello" line is in working order.

Mr. Dave Edler and his able accountant, Mr. Wm. Bradford, are settling up the year's accounts of the vast business Mr. Edler is conducting. He is fortunate in getting Mr. Bradford's assistance.

We are in receipt of a copy of the state official Directory, issued by the Secretary of State. It gives every officer, state and county, elective and appointive, his place of residence, and date of expiration of their terms of office.

The city council did not meet Tuesday night, their regular meeting night, on account of the illness of Councilman Harry Bailey's baby, which prevented him from being present, and Councilman J. S. Lane was out camping.

T. B. Goodpasture of Central Point, formerly a resident of Paisley and pastor of the M. E. Church of that place, arrived here several days ago, selling projectoscopes and views. He has a fine lot of views of San Francisco taken since the earthquake.

L. L. Hopkins, who has been manager for the Denniston & Sullivan Photo Supply House of Shanghai, China, for some time, has secured the proprietorship of that institution. We received from Lyman one of the catalogues gotten out by the Company.

Mrs. Geo. Chandler and Eva Clark came down from the lower Chandler ranch last Friday to hunt for bay hands. They took out one man; all that could be found. The complaint is general all over the West that men to harvest the crops are dangerously scarce. Farmers' wives and daughters in many places are wading into the fields to help put up the crops.

Judge Benson, as was mentioned in The Examiner a couple of weeks ago, underwent a severe operation at Klamath Falls upon his return from here, and we learn the operation, while a great deal more complicated than was expected was successful, and the patient stood the ordeal exceptionally well, and is getting along nicely, although he will be confined to his bed for some time.

B. Gruman was in town last Sunday. He is suffering considerable with rheumatism of late.

Services at the M. E. Church Sunday, August 12: Sunday School, 10 a. m.; Epworth League 7 p. m.; preaching 8 p. m. Sanford Snyder, Pastor.

Miss Gailbreth, an Eastern Oregon school teacher, and the Misses Hilda and Margaret Sawyer of Marshfield, Oregon, were drowned in Coos river on Saturday, August 4th. The three young ladies were bathing, when Miss Gailbreth, who could not swim, got into deep water. The other girls went to help her and all three were drowned.

Instead of Dr. J. S. Dewey and wife and V. L. Snelling and family going to Crescent lake, as was stated by The Examiner last week, the party is to be purely masculine. F. P. Lane, Charley Kohart, V. L. Snelling and Dr. Dewey are to take the trip and leave the ladies at home. It is altogether too rough a trip for women, and then, besides, it is not a place for women out among the bear and panthers.

Hamilton H. Hendricks, secretary of the Butte Creek Land, Livestock & Lumber Co., of Fossil, Wheeler county, was convicted in the Federal court at Portland last Saturday, of having suborned George Hawk to commit perjury in giving testimony before the Federal Grand Jury in connection with the latter's homestead entry. The extreme penalty for this crime is five years in the penitentiary and a \$2000 fine.

Mrs. Ella Cobb and daughter left for Summer Lake yesterday to be absent from Lakeview a short time. They were accompanied by Miss Mae Miller and Dr. F. T. Browne, a dentist of San Francisco, who is spending his vacation in Lakeview and taking in the beautiful mountain scenery of Lake county. Miss Miller and Miss Cobb, assisted by Dr. Browne, will give one of their popular musical recitals at Paisley next Saturday evening, August 11th.

M. of said day, the County Board of Equalization will be in session at the County Clerk's office at Lakeview, Oregon, for the purpose of publicly examining the assessment roll for the year 1906, and to correct all errors in valuation, description or qualities of lands, lots or other property; that the sittings of said board will be continued from day to day thereafter until the examination and correction of said assessment roll shall be fully completed; provided, the said examination is completed within the week in which the board is required to meet.

Motion Pictures.

On next Saturday night August 11th, Dr. C. E. McCafferty will give a concert of moving pictures, illustrated and other songs with guitar accompaniment. I wish to state that I am the only man traveling with illustrated songs in motion pictures. I have nothing to say about, or against other showmen. But will promise you a better concert of moving pictures and illustrated songs than any so-styled inventor, professor or artist who ever visited your town or money refunded. I am not the inventor of the Kinetoscope. I should expose my ignorance were I to say so, for out of so many people living in your little city there would surely be some who know there is such a man as Thos. A. Edison. I am, however, a professional photographer and have selected my pictures to please the show going people. See my concert and you will see all that is advertised on my large bills, and then some. Please read the bills and then you will know what you are going to see and not be disappointed. Prices of admission are, Adults, 50 cents; children under 12 years, 25 cents. Reserved seats can be had at the popular places at 75 cents.

Respectfully,
C. E. McCafferty, D. D. S.
