The O'Malley Sisters' show given here last Friday night, was presented to a packed house, and all were well satisfied with their evening entertainment. Jeak McCormack is fun itself, and Lottie O'Malley and Master O'Malley are rare dancers. Mr. O'Malley himself is a winner on the slide trombone, and all in all, the show is a good one. Nyasa, in Malheur county, has a bachelors' club, organized for the purpose of reducing the number of bachelors in that town and increasing the number of marriage licences issued. Each member of the organization is pledged under heavy penalty to marry within a given time. The young ladies of Nyasa are said to be greatly interested in the movement, and look upon it with fond expectations and in anticipation of blushing results. The Pacific Coast Lumber Manufacturers' Association will bring suit before the Interstate Commerce Commission against the Northern Pacific Railroad, alleging discrimination in the distribution of cars and holding the Hill line liable for business losses because the timber interests have not had enough equipment to make eastbound shipments. It is alleged not more than 45 per cent of the number of cars required are being furnished by the Northern Pacific.

ROYAL Baking Powder ABSOLUTELY PURE

Healthful cream of tartar, derived solely from grapes, refined to absolute purity, is the active principle of every pound of Royal Baking Powder.

Hence it is that Royal Baking Powder renders the food remarkable both for its fine flavor and healthfulness. No alum, no phosphate—which are the principal elements of the so-called cheap baking powders and which are derived from bones, rock and sulphuric acid.
