Two samples of vegetables raised in Lakeview can be seen in The Examiner window. The big beet was raised in the garden on the Dunlap property on Main street by S. O. Cressler. He also raised the potatoes. The carrots were raised by Mr. Hoydstun, who lives on Main street. No finer lot of vegetables was ever shown than these.

The Bunting Telephone & Telegraph Line connects with the Gates system of telephone and telegraph lines running from Bly to Ashland and other Oregon and California points, so that either telephone or telegraph messages can now be sent from Lakeview to any of the various points along the system at nominal rates.
