Dutch lunch at the Brewery Saloon.

F. P. Light and V. L. Snelling spent several days in the Lower Che-waucum marsh, pretending to be hunting geese, but it is believed that they were locating a townsite on the proposed line of the electric railroad from New York to the potash beds of Lake county.

H. E. Barker, the Lakeview Alturas stage contractor, was here last Saturday collecting freight bills. Mr. Barker says there is about a ton of stage freight at Alturas to deliver to Lakeview business men, but the roads have been so bad that it was impossible to bring the freight through.

W. A. Massingill and Geo. Ayres, accompanied by Mr. Curtis Alexander, a mining expert, started for the Windy Hollow mining district last Friday. They got their team and wagon mired down up in Cuman prairie, and were having a time. "Billy" was so muddled from head to foot that he hardly knew which end belonged down. They only went as far as Mud creek the first day.

Attention is called to the notice of Forest Inspector Erickson in this issue, asking for applications for grazing permits to be sent in at once and calling attention to the meetings to be held at Paisley on the 15th of March and at Silver Lake on the 20th. Mr. Erickson informs us that he has already received quite a number of applications for grazing and also for timber.

## A COMPLETE RECORD

We have made an entire transcript of all Records in Lake County, which, in any way, affect Real Property in the county.

We have a complete Record of every Mortgage and transfer ever made in Lake County, and every Deed given.

## ERRORS FOUND.

In transcribing the records we have found numerous mortgages recorded in the Deed record, and not indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and are most difficult to trace up from the records.

### We have notations of all these Errors:

Others cannot find them. We have spent hundreds of dollars hunting up these errors, and we can guarantee our work.
