Stray Notice.—One Bay gelding, weight about 300 pounds, branded with EJ on left shoulder and character similar to J. M. connected, on stifle, supposed to have escaped from the fire when Lakeview Livery stable burned, went to the J. O. George ranch, west of town, next day.

The Esplanade papers report a veritable stampede caused by the finding of rich gold-bearing ore in the mountains north and west of the Hot Spring station. Ore assaying \$23 to the ton has been found. Idaho miners were the first to make the discovery. Hundreds of claims have been staked off and excitement runs high.—Alturas Fish Center.

A circular letter has been received by County School Supt. Willis, from State Supt. Ackerman, stating that the school laws just enacted will go into effect May 25, and that revised copies of the law will be ready for distribution to the officers of all schools before that time.

D. R. Jones and wife, of Andrews were visitors to this city Wednesday and Thursday. Mr. Jones conducts a hotel and saloon at Andrews, having leased the business of Smith Bros., and was here on business. Mrs. Jones was at one time a resident of this city being formerly Mrs. Jesse Ferguson.—Burns Times—Herald.

WANTED:—10 men in each state to travel, distribute samples of our goods and tack signs. Salary \$85.00 per month; \$3.00 per day for expenses. SAUNDERS CO., Department P. No. 46 Jackson Boulevard, Chicago, Ill. 9-3m-A.

Saturday morning, February 23, 1907, Charles E. Vancoughnet, a blacksmith of Ft. Bidwell, shot himself in the breast with a shotgun with suicidal intent, and died a few hours later. He leaves a wife and one child who live in the East, and one brother, who was a partner in the blacksmith business. He was about 49 years of age. Financial embarrassment, family trouble, and the drink habit were said to be the cause of his rash act.

L. D. Frakes came over from Warner this week. He says the people of his neighborhood have enjoyed themselves this winter. Mr. Frakes has made for D. P. Malloy a fine headstall for a bride, mounted with silver conchas designed after hearts, clubs, spades and diamonds. The headstall is a very handsome one, all hand made and cost Mr. Malloy \$17.50. F. M. Miller has ordered one like it from Mr. Frakes. Maybe the 77's won't throw on the "shape".

Leo Hasel the boot and shoe maker, has a fight on with the Southern Stage company. Mr. Hasel, it seems, ordered a stock of leather some time ago and ordered it to come by express. On account of the bad roads the freight was delayed and Mr. Hasel was anxious for its prompt delivery. He wrote Stage Agent Guillems at Alturas a pointed letter and Mr. Guillems went to the press with his troubles and through the Alturas Republican Mr. Hasel gets a roasting. Mr. Hasel declares he will give the stage Co. trouble if his freight is not delivered. We hope he will get his freight, but fear his attempt to place the responsibility of its delivery upon the stage company will fail, as stage companies are employed by the government to haul the U. S. Mails and are not held as common carriers.

Ben Lauer returned Sunday from a trip to San Francisco. During his absence he visited Tonopah and Goldfield and says things are booming down there. At Reno he had a talk with the officers of the N. C. O. Ry. and they stated positively that the road will be built to Alturas this year. They made no secret of it, but made the statement as a positive fact. Men are being shipped out from Reno on every train and the long line of tents now at Dry Creek is evidence that already a large force is employed. They informed Mr. Lauer that only a way station would be established at Likely and that the road would be pushed to Alturas as fast as men and teams could build it.—Alturas Plaindealer.

No inflammation followed; the salve simply healed the wound." Heals every sore, burn and skin disease. Guaranteed at Lee Bealls, Druggist. 25c.

Library Annual Meeting.

The Annual meeting of the Lakeview Library and Reading Room Association, was held in the Library Saturday evening.

Some disappointment was felt on account of the small number in attendance, but we feel sure that it was only a signification, that every one felt perfectly satisfied with the present officers, and confident of their reelection to office; Lakeview has certainly shown no lack of interest, and has always willingly helped both financially and otherwise, the Lakeview Library, consequently, we feel that it was only because the general feeling was one of satisfaction the work was in good hands, that the attendance was so small.

The Library Association have well earned the congratulations and thanks of this community for their faithful, persistent work the past year. They have certainly done their share, and it is, of course, rather hard to ask them to again take up the work of another year. Still, just at this time, it seems necessary that the work go on as planned, and who can so well accomplish this as the present officers, and trustees.

The entire staff of officers and trustees were elected, unopposed, in less than five minutes time.

Minutes of previous meeting read and approved as read; then followed the Treasurer's report which follows:
