At a party given recently by a ladies club in Corning Calif., the gentlemen present were given a slip of paper up on which to write a description of their wife's wedding dress. A prize to be given for the best description. Here is one: "It was gorgeous! All the men went wild and all the women were jealous; it was made of bombazine, with a benzine frill over the heart; it had a high bosom and low skirt; henrietta pleat was bias up the back, with the full drawn in near the middle, and a beautiful gore wound 'round and 'round for a ten-round limit; it dragged on the floor behind and had ice-creamy colored streamers of gingham velvet on each side. Oh, it was gorgeous! And people aint got through talking about it yet. She was as pretty as a picture, and has been ever since."

When the Children come home from School.
 They usually want something from the pantry

You remember the hunger you had—Home cooking counts for much in the child's health; do not imperil it with *alum* food by the use of poor baking powder. Have a delicious, pure, home-made muffin, cake or biscuit ready when they come in. To be sure of the purity, you must use

ROYAL BAKING POWDER

Royal makes a difference in your home—a difference in your health—a difference in your cooking.

ROYAL is absolutely Pure.
