

Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, g-o-n-e!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.

Finest line of men's shirts ever in town, at Ahlstrom Bros.

Mr. Thos. Cotter, the Oakland, Calif., wool buyer, whom The Examiner mentioned last week as coming here soon to buy wool, arrived Saturday evening, and has been interviewing the wool growers.

Rufus George stirred up quite a little bit of excitement here last Sunday evening and made himself a target for a misdirected shot from City Marshal Barkr's revolver. George got the marshal after him and made for his horse and aimed to leave town, but before mounting his horse secured a rock which he hurled at the marshal, when order to stop by that official. The marshal took a parting shot at George but he escaped untouched. One or two deputies watched the streets pretty closely for his return, but he fooled them and didn't come back that night.

School Picnic.

Last Sunday about 13 of the High School pupils accompanied by Prof. Leavitt, went on a picnic to Black Cap. It was as a fine day as one could wish for a picnic, and as the started in the cool of the morning, shortly after sunrise, the walk was thoroughly enjoyed by all. The girls took baskets well filled with every thing to meet the appetite at a picnic dinner. They reached the summit about 10 o'clock and after a short time spent in looking over the surrounding valley, went to a grove of shade trees near by and spread their lunch by a spring that bubbled up from the rocks.

After the lunch had been disposed of, they spent about an hour lying on the grass telling stories and jokes.

About 3 o'clock they started home coming by way of Bullard Canyon and arriving in town about 4 o'clock, very tired but happy after their mountain climb.

He Fired the Stick.

"I have fired the walking-stick I've carried over 40 years, on account of a sore that resisted every kind of treatment, until I tried Bucklen's Arnica Salve; that has healed the sore and made me a happy man," writes John Garrett, of North Mill, N. C. guaranteed for Piles, Burns, etc., by Lee Beal, druggist. 25c.

Died of Measles.

A child named Roland Borrowed died of measles at Merrill recently. Having been attended by Christian Science the case was attended with considerable suspicion and an investigation ordered. The body was exhumed and a post mortem examination of the child's body was made by Drs. Merryman and Cartwright. After listening to their testimony and also that of Dr. Alex Patterson the jury reported that the child's death was caused by cardiac paralysis of the heart, superinduced by bronchial pneumonia following an attack of measles, and that it had not had the benefit of medical assistance during his illness.

Decoration Day.

Decoration day was fittingly observed in Lakeview. At 2 o'clock P. M. the Veterans and their friends, and the Lakeview Citizens Band, met at Justice Bayley's office, and from there marched to the M. E. Church, where Prof. S. Leavitt delivered the oration, and the choir sang the National hymns. From there the march continued, to the sweet strains of the Lakeview band, to the cemetery, where the graves of the dead heroes were decorated with the usual impressive ceremony.

We have a complete Record of every Mortgage and transfer ever made in Lake County, and every Deed given.

ERRORS FOUND.

In transcribing the records we have found numerous mortgages recorded in the Deed record, and not indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and are most difficult to trace up from the records.

We have notations of all these Errors:

Others cannot find them. We have spent hundreds of dollars hunting up these errors, and we can guarantee our work.
